Self-Regulatory Organizations; New York Stock Exchange LLC, NYSE Chicago, Inc., NYSE American LLC, NYSE Arca, Inc., and NYSE National, Inc.; Notice of Designation of a Longer Period for Commission Action on Proceedings To Determine Whether To Approve or Disapprove Proposed Rule Changes, as Modified by Amendment No. 1, To Amend the Schedule of Wireless Connectivity Fees and Charges To Add Wireless Connectivity Services

August 12, 2020.

On February 11, 2020, New York Stock Exchange LLC, NYSE Chicago, Inc., NYSE Arca, Inc., and NYSE National, Inc. each filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder, ² a proposed rule change to amend the schedule of Wireless Connectivity Fees and Charges to add wireless connectivity services that transport the market data of the Exchanges. NYSE American LLC filed with the Commission a substantively identical filing on February 12, 2020. ³ The proposed rule changes were published for comment in the **Federal Register** on February 25, 2020. ⁴ On April 1, 2020, pursuant to Section 19(b)(2) of the Act, ⁵ the Commission designated a longer period within which to either approve the proposed rule changes, disapprove the proposed rule changes, or institute proceedings to determine whether to approve or disapprove the proposed rule changes. ⁶

On May 18, 2020, the Commission instituted proceedings to determine whether to approve or disapprove the proposed rule changes. ⁷ On July 27, 2020, the Exchanges each filed Amendment No. 1 to the proposed rule changes. Notice of Amendment No. 1 to the proposed rule changes was published for comment in the **Federal Register** on August 7, 2020. ⁸ The Commission has received comment letters on the proposed rule changes, as modified by Amendment No. 1. ⁹

Section 19(b)(2) of the Act ¹⁰ provides that, after initiating proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule changes were published for notice and comment in the **Federal Register** on February 25, 2020. ¹¹ August 23, 2020 is 180 days from that date, and October 22, 2020 is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule changes, as modified by Amendment No. 1, so that it has sufficient time to consider the proposed rule changes, as modified by Amendment No. 1, the issues raised in the comment letters that have been submitted in connection therewith, and the Exchanges’ responses to comments. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act, ¹² designates October 22, 2020 as the date by which the Commission should either approve or disapprove the proposed

proceedings to determine whether to approve or disapprove the proposed rule changes.
