SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Extension:

Rule 433; SEC File No. 270-558, OMB Control No. 3235-0617

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collections of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 433 (17 CFR 230.433) governs the use and filing of free writing prospectuses under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). The purpose of Rule 433 is to reduce the restrictions on communications that a company can make to investors during a registered offering of its securities, while maintaining a high level of investor protection. A free writing prospectus meeting the conditions of Rule 433(d)(1) must be filed with the Commission and is publicly available. We estimate that it takes approximately 1.28 burden hours per response to

prepare a free writing prospectus and that the information is filed by 2,906 respondents approximately 5.4026 times a year for a total of 15,700 responses. We estimate that 25% of the 1.3 burden hours per response (0.32 hours) is prepared by the company for total annual reporting burden of 5,024 hours (0.32 hours × 15,700 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: August 13, 2020.

BILLING CODE 8011-01-P

SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2020-0039]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency’s burden estimate; the need for the information; its practical utility; ways to enhance its

quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov (SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2020-0039].

I. The information collection below is pending at SSA. SSA will submit it to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than October 19, 2020. Individuals can obtain copies of the collection instrument by writing to the above email address.

Work Activity Report (Self-Employment)—20 CFR 404.1520(b), 20 CFR 404.1571-404.1576, 20 CFR 404.1584-404.1593, and 20 CFR 416.971-416.976—0960-0598. SSA uses Form SSA-820-BK to determine initial or continuing eligibility for: (1) Title II Social Security Disability Insurance benefits (SSDI); or (2) Title XVI Supplemental Security Income (SSI) payments. Under Titles II and XVI of the Social Security Act (Act), recipients receive disability benefits and SSI payments based on their inability to engage in substantial gainful activity (SGA) due to a physical or mental condition. Therefore, when the recipients resume work, they must report their work so SSA can evaluate and determine by law whether they continue to meet the disability requirements. SSA uses Form SSA-820-BK to obtain information on self-employment activities of Social Security Title II and XVI disability applicants and recipients. We use the data we obtain to evaluate disability claims, and to help us determine if the claimant meets current disability provisions under Titles II and XVI. Since applicants for disability benefits or payments must prove an inability to perform any kind of SGA generally available in the national economy for which we expect them to qualify based

on age, education, and work experience, any work an applicant performed until, or subsequent to, the date the disability allegedly began, affects our disability

determination. The respondents are applicants and claimants for SSI payments or SSDI benefits.

Type of Request: Revision of an OMB-approved information collection.

II. SSA submitted the information collection below to OMB for clearance. Your comments regarding this information collection would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than September 17, 2020. Individuals can obtain copies of the OMB clearance package by writing to OR.Reports.Clearance@ssa.gov.

1. *Statement Regarding Marriage*—20 CFR 404.726—0960-0017. Section 216(h)(1)(A) of the Act directs SSA to

apply State law to determine an individual's marital relationship. Some state laws recognize marriages without a ceremony (*i.e.*, common-law marriages). In such cases, SSA provides the same spouse or widow(er) benefits to the common-law spouses as it does to ceremonially married spouses. To determine common-law spouses, SSA must elicit information from blood relatives or other persons who are knowledgeable about the alleged common-law relationship. SSA uses Form SSA-753, *Statement Regarding Marriage*, to collect information from

third parties to verify the applicant's statements about intent; cohabitation; and holding out to the public as married, which are the basic tenets of a common-law marriage. SSA uses the information to determine if a valid marital relationship exists, and if the common-law spouse is entitled to Social Security spouse, or widow(er) benefits. The respondents are third parties who can confirm or deny the alleged common-law marriage.

wages, or (2) reported incorrect wage amounts, SSA will assist them in resolving this issue. Specifically, SSA will send Forms SSA-1002-F3 or SSA-1003-F3 to the agricultural employers to collect evidence of wages paid. The

respondents are agricultural employers whose workers request wage verification or correction for their earnings records.

3. *Questionnaire About Employment or Self-Employment Outside the United States—20 CFR 404.401(b)(1), 404.415, & 404.417—0960-0050.* When a Social Security beneficiary or claimant reports work outside the United States (U.S.), SSA uses Form SSA-7163 to determine if foreign work deductions are applicable. Specifically, SSA uses Form SSA-7163 to determine: (1) Whether work performed by beneficiaries outside the U.S. is cause for deductions from their monthly benefits; (2) which of two work tests (foreign or regular test) is

applicable; and (3) the number of months, if any, for SSA-imposed deductions. SSA determines whether the annual earnings test applies to all earnings from work covered by the Act, including earnings from covered work performed outside the U.S. However, because of the differences in foreign currency values, it is administratively impractical to apply this test to earnings from non covered work performed outside the U.S. and base it on U.S. dollars. Accordingly, the 45-hour work test provides for deductions from the

benefits of employees under full retirement age who engage in non-covered remunerative activity for more than 45 hours in a calendar month. SSA asks beneficiaries working outside the U.S. to complete this form annually or every other year (depending on the country of residence). Respondents are beneficiaries or claimants for Social Security benefits who are engaged in work outside the United States.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **

There is no actual charge to respondents to complete the application.

4. *State Mental Institution Policy Review Booklet—20 CFR 404.2035, 404.2065, 416.635, & 416.665—0960-0110.* SSA uses Form SSA-9584-BK: (1) To determine if the policies and practices of a state mental institution acting as a representative payee for SSA

beneficiaries conform to SSA's regulations in the use of benefits; (2) to confirm institutions are performing other duties and responsibilities required of representative payees; and (3) as the basis for conducting onsite reviews of the institutions and

preparing subsequent reports of findings. The respondents are state mental institutions serving as representative payees for Social Security beneficiaries and SSI recipients.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **
