The two issues described above will be presented to the full Committee. The Committee will then divide into two subcommittees to discuss the issues. Each subcommittee will provide a report of their comments and recommendations to the full Committee before the meeting concludes on Friday, September 25, 2020.

An agenda will be published online before the public meeting. FSIS will finalize the agenda on or before the meeting dates and post it on the FSIS website at: <http://www.fsis.usda.gov/meetings>.

Registration and Meeting Materials

There is no fee to register for the public meeting, but pre-registration is mandatory for participants attending. All attendees must register online at <http://www.fsis.usda.gov/wps/portal/fsis/newsroom/meetings>.

Public Comments and Participation in Meetings

Oral Comments

Stakeholders will have an opportunity to provide oral comments during the public meeting. Stakeholders must notify FSIS during registration of their wish to speak at the meeting. Stakeholders who do not notify FSIS during registration of their wish to speak will not have the opportunity to comment on the day of the public meeting. Due to the anticipated high level of interest in the opportunity to make public comments and the limited time available to do so, FSIS will do its best to accommodate all persons who registered and requested to provide oral comments and will limit all speakers to three minutes. FSIS encourages persons and groups who have similar interests to consolidate their information for presentation by a single representative.

Transcripts

As soon as the meeting transcripts are available, they will be accessible on the FSIS website at: <https://www.fsis.usda.gov/wps/portal/fsis/topics/regulations/advisory-committees/nacmpi/nacmpi-transcripts>. The transcripts may also be viewed at the FSIS Docket Room at the address listed above.

SUPPLEMENTARY INFORMATION:

Title: Equal Opportunity Compliance Review Record.

OMB Number: OMB-0596-New.

Expiration Date of Approval: 11/30/2018.

Type of Request: New.

Abstract: All Federal agencies must comply with equal opportunity laws:

- Title VI of the Civil Rights Act of 1964, as amended;
- Title IX of the Education Amendments Act of 1972;
- The Age Discrimination Act of 1975, as amended;
- Section 504 of the Rehabilitation Act of 1973, as amended; and
- Executive orders prohibiting discrimination in the delivery of all program and services to the public.

Federal agencies and entities receiving Federal Financial Assistance are prohibited from discriminating. Federal Financial Assistance is defined as, "Federal monies given by grants, cooperative agreements, commercial special use permits, training, loan/temporary assignment of Federal personnel, loan/use of Federal property at below market value."

The equal opportunity laws require agencies to conduct compliance reviews to ensure that entities receiving Federal Financial Assistance from the government are adhering to the nondiscrimination statutes. The statutes require that prior to awarding support or issuing permits, the Federal government shall conduct pre-award reviews to ensure that potential recipients understand their responsibilities to provide services equitable pursuant to the law. Thereafter, during the partnership with the agency, ongoing monitoring will take place to ensure the public is being served without any barriers or discrimination.

Forest Service employees will use form FS-1700-6, Equal Opportunity Compliance Review Record, to document demographics (race, ethnicity, and gender) and collect information regarding actions taken by recipients of Federal financial assistance

to ensure the public receives services without discrimination or barriers to access, and that recipients' employees understand their customer services role.

Collection will occur during face-to-face meetings or telephone interviews conducted by Forest Service employees as part of the pre-award and post award process. The pre-award interview will take place prior to the award of a grant, signing of a cooperative agreement, letting of commercial special use permit, or similar activity. The post award interview will take place once every 5 years, or upon report/discovery of discrimination.

The information collected will only be shared with other Federal agencies who share in the financial assistance activities with the Forest Service. Monitoring reviews have been a responsibility of the Federal government since 1964. Without the ability to monitor recipients of Federal financial assistance, the Forest Service would not be able to ensure compliance with laws and statutes. The Agency would not be aware of potential violations, thereby resulting in potential discriminatory practices.

Affected Public: Recipients of Federal financial assistance.

Estimate of Burden per Response: One.

Estimated Annual Number of Respondents: 11,000.

Estimated Annual Number of Responses per Respondent: One.

Estimated Total Annual Burden on Respondents: 11,000.
