

resources of the area. Council duties and responsibilities are solely advisory in nature.

The Council is seeking nominations in the following categories:

(1) A representative of conservation organizations; and

(2) An elected leader of a federally recognized Tribe that has significant cultural or historical connections to, and expertise in, the landscape, archeological sites, or cultural sites within the County.

Members will be appointed to the Council to serve three-year staggered terms.

Nominating Potential Members:

Nomination forms may be obtained from the Price Field Office (address listed above) or at <https://www.blm.gov/get-involved/resource-advisory-council/near-you/Utah>. All nominations must include a completed Resource Advisory Council application (OMB Control No. 1004-0204), letters of reference from the represented interests or organizations, and any other information that speaks to the candidate's qualifications.

The specific category the nominee would be representing should be identified in the letter of nomination and on the application form.

Members of the Council serve without compensation. However, while away from their homes or regular places of business, Council members engaged in Council business may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by 5 U.S.C. 5703, in the same manner as persons employed intermittently in Federal Government service.

The Council will meet approximately two to four times annually, and at such other times as designated by the Designated Federal Officer.

Before including your address, phone number, email address, or other personal identifying information in your comment, please be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you may request in your comment to withhold your personal identifying information from public review, the BLM cannot guarantee that it will be able to do so.

Notice of Availability of the Record of Decision for the Final Environmental Impact Statement for the Coastal Plain Oil and Gas Leasing Program, Alaska

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability.

SUMMARY: The Bureau of Land Management (BLM), Alaska State Office, announces the availability of the Record of Decision (ROD) for the Final Environmental Impact Statement (EIS) for the Coastal Plain Oil and Gas Leasing Program. The Secretary for the Department of the Interior's signature on the ROD constitutes the final decision of the Department, thereby completing the required National Environmental Policy Act process for implementing an oil and gas leasing program within the Coastal Plain of the Arctic National Wildlife Refuge.

ADDRESSES: Requests for information regarding the ROD may be mailed to: Coastal Plain Oil and Gas Leasing Program, 222 West 7th Avenue, #13, Anchorage, AK 99513-7504. The ROD is available on the BLM Alaska website at <http://www.blm.gov/alaska>.

FOR FURTHER INFORMATION CONTACT: Nicole Hayes, BLM Alaska State Office, 907-271-4354. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339 to contact the above individuals during normal business hours. The FRS is available 24 hours a day, seven days a week, to leave a message or question with the above individuals. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: Title II, Section 20001 of Public Law 115-97 directs the Secretary of the Interior, acting through the BLM, to establish and administer a competitive oil and gas leasing program for the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain. The BLM was directed to manage the oil and gas leasing program on the Coastal Plain in a manner similar to lease sales under the Naval Petroleum Reserves Production Act of 1976 (including regulations). The BLM was also directed to conduct two area-wide lease sales offering not fewer than 400,000 acres, in areas where there

is the highest potential for the discovery of hydrocarbons.

The ROD approves a program to carry out this statutory directive. By determining where and under what terms and conditions leasing will occur, the ROD takes into account the requirements of Public Law 115-97 and other applicable law. To inform this Decision, the BLM prepared the Coastal Plain Oil and Gas Leasing Program Environmental Impact Statement (Leasing EIS).

The ROD adopts Alternative B of the Leasing EIS as to where and under what terms and conditions leasing may occur subject to future specific environmental analysis and permitting decisions, except clarifications have been provided for required operating procedures (ROP) 11 and 17, as well as Lease Notice 2. The ROD also does not adopt the interpretive assumptions made in the Leasing EIS as to the implementation of Section 20001(c)(3) of Public Law 115-97. Rather, it provides guidance regarding certain general principles for the future application of that section of the law.

Authority: 40 CFR 1502.9, 40 CFR 1506.6.
