BILLING CODE 4312-52-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-627-629 and 731-TA-1458-1461 (Final)]

Utility Scale Wind Towers From Canada, Indonesia, Korea, and Vietnam

Determinations

On the basis of the record ¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of utility scale wind towers from Canada, Indonesia, Korea, and Vietnam, provided for in subheadings 7308.20.00 and 8502.31.00 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”), and to be subsidized by the governments of Canada, Indonesia, and Vietnam.²

¹ The record is defined in § 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

² The Commission also finds that imports subject to Commerce’s affirmative critical circumstances determination are not likely to undermine seriously the remedial effect of the countervailing duty order on utility scale wind towers from Indonesia and the

Background

The Commission instituted these investigations effective July 9, 2019, following receipt of petitions filed with the Commission and Commerce by Arcosa Wind Towers Inc., Dallas, Texas; and Broadwind Towers Inc., Manitowoc, Wisconsin. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of utility scale wind towers from Canada, Indonesia, and Vietnam were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and that imports of utility scale wind towers from Canada, Indonesia, Korea, and Vietnam were sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on March 20, 2020 (85 FR 16127). In light of the restrictions on access to the Commission building due to the COVID-19 pandemic, and in accordance with 19 U.S.C. 1677c(a)(1), the Commission conducted its hearing on June 25, 2020 by video conference as set forth in procedures provided to the parties. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on August 19, 2020. The views of the Commission are contained in USITC Publication 5101 (August 2020), entitled *Utility Scale Wind Towers from Canada, Indonesia, Korea, and Vietnam: Investigation Nos. 701-TA-627-629 and 731-TA-1458-1461 (Final)*.

By order of the Commission.

Issued: August 19, 2020.

Lisa Barton,
Secretary to the Commission.

antidumping duty orders on utility scale wind towers from Korea and Vietnam.

DEPARTMENT OF JUSTICE

[OMB Number 1121-0360]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Generic Clearance for Cognitive, Pilot, and Field Studies for Office of Juvenile Justice and Delinquency Prevention Data Collection Activities

AGENCY: Office of Justice Programs.

ACTION: 60-Day notice of information collection under review.

SUMMARY: The Department of Justice (DOJ), Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies.

DATES: Comments are encouraged and will be accepted for 60 days until October 26, 2020.

ADDRESSES: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact: Brecht Donoghue, Office of Juvenile Justice and Delinquency Prevention, Office of Justice Programs, U.S. Department of Justice, 810 Seventh Street NW, Washington, DC 20531 or brecht.donoghue@usdoj.gov.

SUPPLEMENTARY INFORMATION: This process is conducted in accordance with 5 CFR 1320.10. Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

—Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

—Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of This Information Collection

1. *Type of Information Collection: Extension.*

2. *The Title of the Form/Collection:* Generic clearance for cognitive, pilot, and field studies for Office of Juvenile Justice and Delinquency Prevention data collection activities.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number is CJ-14, Office of Juvenile Justice and Delinquency Prevention, United States Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:* The proposed information collection activity will enable OJJDP to develop, test, and improve its survey and data collection instruments and methodologies. OJJDP will engage in cognitive, pilot, and field test activities to inform its data collection efforts and to minimize respondent burden associated with each new or modified data collection. OJJDP anticipates using a variety of procedures including, but not limited to, tests of various types of survey and data collection operations, focus groups, cognitive laboratory activities, pilot testing, field testing, exploratory interviews, experiments with questionnaire design, and usability testing of electronic data collection instruments.

Following standard Office of Management and Budget (OMB) requirements, OJJDP will submit an individual request to OMB for every group of data collection activities undertaken under this generic clearance. OJJDP will provide OMB with a copy of the individual instruments or questionnaires (if one is used), as well as other materials describing the project. Currently, OJJDP anticipates the need to

conduct testing and development work that will include the collection of information from law enforcement agencies, child welfare agencies, courts, probation supervision offices, and the state agencies, local governments, non-profit organizations, and for-profit organizations that operate juvenile residential placement facilities.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that approximately 2,500 respondents will be involved in the anticipated cognitive, pilot, and field testing work over the 3-year clearance period. Specific estimates for the average response time are not known for development work covered under a generic clearance. Estimates of overall burden are included in item 6 below.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden for identified and future projects covered under this generic clearance over the 3-year clearance period is approximately 5,000 hours.

If additional information is required contact: Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.

Dated: August 19, 2020.

Melody Braswell,
Department Clearance Officer for PRA, U.S. Department of Justice.
