SUPPLEMENTARY INFORMATION:

A. Purpose

This information collection requires information necessary for prime applicants and recipients, excepting individuals, of Federal financial assistance to register in the System for Award Management (SAM) and maintain an active SAM registration with current information at all times during which they have an active Federal award or an application or plan under consideration by an agency pursuant to 2CFR Subtitle A, Chapter I, and Part 25 (75 FR 5672). This facilitates prime awardee reporting of sub-award and executive compensation data pursuant to the Federal Funding Accountability and Transparency Act (Pub. L. 109–282, as amended by section 6202(a) of Pub. L. 110–252). This

information collection requires that all prime financial assistance awardees, subject to reporting under the Transparency Act register and maintain their registration in SAM.

This information collection is being amended to meet a statutory requirement of the National Defense Authorization Act (NDAA) of FY 2013. The NDAA of 2013 requires that the Federal Awardee Performance and Integrity Information System (FAPIS)(currently located in SAM) include information on a non-Federal entity's parent, subsidiary, or successor entities. Applicants will need to provide information in SAM on their immediate and highest level owner as well as predecessors that have been awarded a Federal contract, grant, or cooperative agreement within the last three years. Additionally, the information collection is being amended to increase transparency regarding Federal spending and to support implementation of the Digital Accountability and Transparency Act of 2014 (DATA ACT).

OMB proposes to expand the requirement to register in SAM beyond grants, cooperative agreements, and contracts, to entities that receive financial assistance such as loans, insurance, and direct appropriations. This information collection requirement (published in the **Federal Register** at 85 FR 49506 on August 13, 2020) is included in OMB's proposed revision to guidance in 2 CFR Subtitle A, Chapter I, and Parts 25, 170, and 200.

Submission for OMB Review; Case Plan Requirement, Title IV–E of the Social Security Act

AGENCY: Administration on Children, Youth and Families, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Administration on Children, Youth and Families (ACYF), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), is requesting a 3-year extension of the information collection—Case Plan Requirement, Title IV–E of the Social Security Act, (OMB #0970–0428, expiration 3/31/2021). ACF is reporting a change to the information collection—the burden estimates in the previously-approved request were based on the children in foster care as the respondent instead of the agency completing the case plan. The burden estimates, therefore, are adjusted accordingly.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: The case plan information collection is authorized in sections 422(b)(8)(A)(ii) and 471(a)(16), and defined in sections 475 and 475A of the Social Security Act (the Act). Statutory requirements in the Act mandate that states, territories, and tribes with an approved title IV–E plan develop a case plan and case review system for each child in the foster care system for whom the state, territory, or tribe receives title IV–E reimbursement of foster care maintenance payments.

The case review system assures that each child has a case plan designed to
