POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

Records are maintained on Storage Area Networks.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records are retrieved by name, Social Security number or other assigned identifiers of the individuals on whom they are maintained.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records are maintained and disposed of in accordance with records disposition authority approved by the Archivist of the United States. The records are disposed of in accordance with General Records Schedule 20, item 4.

Item 4 provides for deletion of data files when the agency determines that the files are no longer needed for administrative, legal, audit, or other operational purposes.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

1. Access to and use of VA data warehouses are limited to those persons whose official duties require such access, and the VA has established security procedures to ensure that access is appropriately limited. Information security officers and system data stewards review and authorize data access requests. VA regulates data

warehouse access with security software that relies on network authentication. VA requires information security training to all staff and instructs staff on the responsibility each person has for safeguarding data confidentiality.

2. Physical access to computer rooms housing VA data warehouses are restricted to authorized staff and protected by a variety of security devices. Unauthorized employees, contractors, and other staff are not allowed in computer rooms.

3. Data transmissions between VA operational systems and VA data warehouses maintained by this system of record are protected by state-of-the-art telecommunication software and hardware. This may include firewalls, intrusion detection devices, encryption, and other security measures necessary to safeguard data as it travels across the VA Wide Area Network.

4. In most cases, copies of back-up computer files are maintained at off-site locations.

5. Access to Cerner Technology Centers is generally restricted to Cerner employees, contractors or associates with a Cerner issued ID badge and other security personnel cleared for access to the data center. Access to computer rooms housing Federal data, hence Federal enclave, is restricted to persons Federally cleared for Federal enclave access through electronic badge entry devices. All other persons, such as custodians, gaining access to Federal enclave are escorted.

RECORD ACCESS PROCEDURE:

Individuals seeking information regarding access to and contesting of records contained in this system of records may write to the Director of National Data Systems (10A7), Austin Information Technology Center, 1615 Woodward Street, Austin, Texas 78772. Inquiries should include the person's full name, Social Security number, location and dates of employment or location and dates of treatment, and their return address.

CONTESTING RECORD PROCEDURES:

(See Record Access Procedures above.)

NOTIFICATION PROCEDURE:

Individuals who wish to determine whether this system of records contains information about them should contact the Director of National Data Systems (10A7), Austin Information Technology Center, 1615 Woodward Street, Austin, Texas 78772. Inquiries should include the person's full name, Social Security number, location and dates of employment or location and dates of treatment, and their return address.

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

None.
