

- An overview of the U.S. manufacturing industry, including key producers of finished goods and intermediate inputs, the extent of U.S. production, and employment;
- Information on U.S. imports of finished goods and inputs, including leading source countries and supplying firms (to the extent available); and
 - Information on supply chain challenges and constraints, including, but not limited to:
 - Information on factors affecting domestic production, including, to the extent practicable, regulatory requirements that may impact entry into the market; and
 - Information on foreign trade barriers and restrictions and other factors that may affect U.S. imports of finished goods or inputs needed for domestic production.

The Committees asked that the Commission deliver the report no later than December 15, 2020. The Committees stated that they intend to make the Commission's report available to the public and asked that the report not include any confidential business information.

Public Hearing: A public hearing in connection with this investigation will be held beginning at 9:30 a.m. on September 23, 2020, using a videoconference platform. More detailed information about the hearing, including how to participate, will be posted on the Commission's website at (https://usitc.gov/research_and_analysis/what_we_are_working_on.htm). Once on that web page, scroll down to the entry for Investigation No. 332–580, *COVID–19 Related Goods: The U.S. Industry, Market, Trade, and Supply Chain Challenges*, and click on the link to “Hearing Information.” Interested parties should check the Commission's website periodically for updates.

Requests to appear at the public hearing should be filed with the Secretary no later than 5:15 p.m., September 11, 2020, in accordance with the requirements in the “Written Submissions” section below. All prehearing briefs and statements should be filed not later than 5:15 p.m., September 14, 2020, and all post-hearing briefs and statements should be filed not later than 5:15 p.m., September 30, 2020. Post-hearing briefs and statements should address matters raised at the hearing. To facilitate the hearing, including the preparation of an accurate written transcript of the hearing, oral testimony to be presented at the hearing must be submitted to the Commission electronically no later than the close of business September 21,

2020. In the event that, as of the close of business on September 11, 2020, no witnesses are scheduled to appear at the hearing, the hearing will be canceled.

Written Submissions: In lieu of or in addition to participating in the hearing, interested parties are invited to file written submissions concerning this investigation. All written submissions should be addressed to the Secretary, and should be received not later than 5:15 p.m., October 2, 2020. All written submissions must conform to the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8), as temporarily amended by 85 FR 15798 (March 19, 2020). Under that rule waiver, the Office of the Secretary will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice. Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202–205–1802), or consult the Commission's Handbook on Filing Procedures.

Confidential Business Information: Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the “confidential” or “non-confidential” version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

As requested by the Committees, the Commission will not include any confidential business information in the report that it sends to the Committees. However, all information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel (a) for cybersecurity purposes

or (b) in monitoring user activity on U.S. government classified networks. The Commission will not otherwise disclose any confidential business information in a way that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: Persons wishing to have a summary of their position included in the report should include a summary with their written submission and should mark the summary as having been provided for that purpose. The summary should be clearly marked as “summary for inclusion in the report” at the top of the page. The summary may not exceed 500 words, should be in MS Word format or a format that can be easily converted to MS Word, and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. The Commission will list the name of the organization furnishing the summary and will include a link to the Commission's Electronic Document Information System (EDIS) where the full written submission can be found.

By order of the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 332–345]

Recent Trends in U.S. Services Trade, 2021 Annual Report

AGENCY: United States International Trade Commission.

ACTION: Schedule for 2021 report and opportunity to submit information.

SUMMARY: The Commission has prepared and published annual reports in this series under Investigation No. 332–345, *Recent Trends in U.S. Services Trade*, since 1996. The 2021 report, which the Commission plans to publish in April 2021, will provide aggregate data on cross-border trade in services for the period ending in 2019, and transactions by affiliates based outside the country of their parent firm for the period ending in 2018. The report's analysis will focus on professional services (including management consulting services, research and development services, education services, healthcare services, architecture and engineering services,

and legal services). The Commission is inviting interested members of the public to furnish information and views in connection with the 2021 report.

DATES: September 28, 2020: Deadline for filing written submissions.

April 7, 2021: Anticipated date for online publication of the report.

ADDRESSES: All Commission offices, including the Commission's hearing rooms, are located in the United States International Trade Commission Building, 500 E St. SW, Washington, DC. All written submissions should be addressed to the Secretary, United States International Trade Commission, 500 E St. SW, Washington, DC 20436. The public record for this investigation may be viewed on the Commission's electronic docket information system (EDIS) at <https://edis.usitc.gov/>.

Information specific to this investigation may be obtained from Junie Joseph, Project Leader, Office of Industries, Services Division (202–205–3363, junie.joseph@usitc.gov), Sarah Oliver, Deputy Project Leader, Office of Industries, Services Division (202–205–3288, sarah.oliver@usitc.gov), or Services Division Chief Martha Lawless (202–205–3497, martha.lawless@usitc.gov). For information on the legal aspects of this investigation, contact William Gearhart of the Commission's Office of the General Counsel (202–205–3091; william.gearhart@usitc.gov). The media should contact Margaret O'Laughlin, Office of External Relations (202–205–1819; margaret.olaughlin@usitc.gov). Hearing-impaired individuals may obtain information on this matter by contacting the Commission's TDD terminal at 202–205–1810. General information concerning the Commission may also be obtained by accessing its website (<https://www.usitc.gov>). Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000.

SUPPLEMENTARY INFORMATION:

Background: The 2021 annual services trade report will provide aggregate data on cross-border trade in services for 2019 and affiliate transactions in services for 2018, and more specific data and information on trade in professional services (management consulting, research and development, education, healthcare, architecture and engineering, and legal services). Under Commission Investigation No. 332–345, the Commission publishes two annual reports, one on services trade (Recent Trends in U.S. Services Trade), and a second on merchandise trade (Shifts in

U.S. Merchandise Trade). The Commission's 2020 Recent Trends in U.S. Services Trade report is now available online at <https://www.usitc.gov>.

The initial notice of institution of this investigation was published in the **Federal Register** on September 8, 1993 (58 FR 47287) and provided for what is now the report on merchandise trade. The Commission expanded the scope of the investigation to cover services trade in a separate report, which it announced in a notice published in the **Federal Register** on December 28, 1994 (59 FR 66974). The separate report on services trade has been published annually since 1996, except in 2005. As in past years, the report will summarize trade in services in the aggregate and provide analyses of trends and developments in selected services industries during the latest period for which data are published by the U.S. Department of Commerce, Bureau of Economic Analysis.

Written Submissions: Interested parties are invited to file written submissions and other information concerning the matters to be addressed by the Commission in its 2021 report. For the 2021 report, the Commission is particularly interested in receiving information relating to trade in professional services (management consulting, research and development, education, healthcare, architecture and engineering, and legal services services). Submissions should be addressed to the Secretary. To be assured of consideration by the Commission, written submissions related to the Commission's report should be submitted at the earliest practical date and should be received not later than 5:15 p.m., September 28, 2020. All written submissions must conform to the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8), as temporarily amended by 85 FR 15798 (March 19, 2020). Under that rule waiver, the Office of the Secretary will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice. Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202–205–1802), or consult the Commission's Handbook on Filing Procedures.

Confidential business information.

Any submissions that contain confidential business information (CBI)

must also conform with the requirements in section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are confidential or non-confidential, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

The Commission intends to prepare only a public report in this investigation. The report that the Commission makes available to the public will not contain confidential business information. However, all information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel solely for cybersecurity purposes. The Commission will not otherwise disclose any confidential business information in a manner that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: The Commission intends to publish summaries of the positions of interested persons in this report. If you wish to have a summary of your position included in an appendix of the report, please include a summary with your written submission and mark the summary as submitted for that purpose. The summary may not exceed 500 words, should be in MSWord format or a format that can be easily converted to MSWord, and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. In the report the Commission will identify the name of the organization furnishing the summary and will include a link to the Commission's Electronic Document Information System (EDIS) where the full written submission can be found.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1133]

Certain Unmanned Aerial Vehicles and Components Thereof; Final Determination Finding a Violation of Section 337 and Issuance of Remedial Orders; Suspension of Enforcement of the Remedial Orders Pending Final Resolution of a Final Written Decision by the Patent Trial and Appeal Board; and Termination of the Investigation

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission (the “Commission”) has determined that: (i) The respondents have violated Section 337 of the Tariff Act of 1930, as amended, by importing, selling for importation, or selling in the United States after importation certain unmanned aerial vehicles (“UAVs”) that infringe complainant’s U.S. Patent No. 9,260,184 (“the ‘184 patent”); (2) the respondents’ redesigned rotor locking assemblies were not ripe for adjudication in this investigation; (3) the appropriate remedies are a limited exclusion order and cease and desist orders; and (4) enforcement of said remedial orders will be suspended pending final resolution of a Final Written Decision by the Patent and Trademark Office (“PTAB”) that the asserted claims of the ‘184 patent are unpatentable. This investigation is terminated.

FOR FURTHER INFORMATION CONTACT: Carl P. Bretscher, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2382. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket system (“EDIS”) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the

Commission’s TDD terminal, telephone (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on October 2, 2018, based on a complaint filed by Autel Robotics USA, Inc. (“Autel”) of Bothell, Washington. 83 FR 49575-76 (Oct. 2, 2018). The complaint accuses respondents of violating 19 U.S.C. 1337 of the Tariff Act of 1930, as amended (“Section 337”) by importing into the United States, selling for importation, or selling in the United States after importation certain unmanned aerial vehicles and components thereof that infringe the asserted claims of the ‘184 patent as well as of U.S. Patent Nos. 7,979,174 (“the ‘174 patent”) and 10,044,013 (“the ‘013 patent”). *Id.* The complaint also alleges the existence of a domestic industry. *Id.*

The notice of investigation named the following respondents: SZ DJI Technology Co. Ltd. of Shenzhen, China; DJI Europe B.V. of Barendrecht, Netherlands; DJI Technology Inc. of Burbank, California; iFlight Technology Co., Ltd. (“iFlight”) of Hong Kong; DJI Baiwang Technology Co. Ltd. of Shenzhen, China; DJI Research LLC of Palo Alto, California; DJI Service LLC (“DJI Service”) of Cerritos, California; and DJI Creative Studio LLC of Burbank, California (collectively, “DJI”). *Id.* The Office of Unfair Import Investigations is not a party to this investigation. *Id.*

On September 13, 2019, the presiding Administrative Law Judge (“ALJ”) issued Order No. 21, granting in part Autel’s motion to strike evidence and expert opinions relating to DJI’s “new designs” for rotor and battery locking mechanisms that DJI allegedly disclosed after the close of discovery. Order No. 21 at 2-4 (Sept. 13, 2019).

On October 17, 2019, the Commission determined not to review Order No. 22, which partially terminated the investigation with respect to certain patent claims withdrawn by Autel. Order No. 22 (Sept. 30, 2019), *unreviewed by Comm’n Notice* (Oct. 17, 2019). The claims that remained at issue are claims 1, 2, and 5 of the ‘184 patent; claims 1, 7, 8, 14, and 17 of the ‘174 patent; and claims 1, 3-5, 8, 10, 13-16, 18, 22, or 23 of the ‘013 patent.

The ALJ held an evidentiary hearing on October 21-23, 2019. At the start of that hearing, the ALJ announced that DJI’s new designs are not part of this investigation.

On March 2, 2020, the ALJ issued a combined Initial Determination on Violation of Section 337 (“ID”) and Recommended Determination (“RD”) on Remedy and Bonding, finding a

violation of Section 337 by way of infringement of the ‘184 patent but no violation with respect to the ‘174 or ‘013 patents. On March 9, 2020, the ALJ issued an errata, which corrects a misstatement in the original ID regarding the ‘174 patent but does not change the ID’s findings on infringement or violation. *See* Notice of Errata to Final Initial Determination (Mar. 9, 2020).

On March 16, 2020, the parties filed petitions for review of certain findings in the final ID, pursuant to Commission Rule 210.43(a) (19 CFR 210.43(a)). The parties filed their respective responses on March 24, 2020, pursuant to Commission Rule 210.43(c) (19 CFR 210.43(c)).

On May 15, 2020, the Commission issued a notice soliciting public comments on the public interest factors, if any, that may be implicated if a remedy were to be issued in this investigation. 85 FR 30735 (May 20, 2020). The Commission did not receive any comments in response to its notice.

On May 29, 2020, while the petitions for review were still pending before the Commission, respondents’ counsel filed a letter with the Commission attaching four recent Final Written Decisions by the Patent Trial and Appeal Board (“PTAB”) of the U.S. Patent and Trademark Office, in which the PTAB found the challenged claims of the ‘184, ‘174, and ‘013 patents, including the claims asserted in this investigation, to be unpatentable. *See SZ DJI Technology Co. v. Autel Robotics USA LLC*, Case IPR2019-00343, Final Written Decision Finding All Challenged Claims Unpatentable (PTAB May 21, 2020) (regarding ‘184 patent); *SZ DJI Technology Co. v. Autel Robotics USA LLC*, Case IPR2019-00250, Final Written Decision Finding All Challenged Claims Unpatentable (PTAB May 13, 2020) (regarding ‘174 patent); *SZ DJI Technology Co. v. Autel Robotics USA LLC*, Case IPR2019-00249, Final Written Decision Finding All Challenged Claims Unpatentable (PTAB May 13, 2020) (regarding ‘174 patent); *SZ DJI Technology Co. v. Autel Robotics USA LLC*, Case IPR2019-00016, Final Written Decision Finding All Challenged Claims Unpatentable (PTAB May 14, 2020) (regarding ‘013 patent).

On June 8, 2020, the Commission issued a notice stating that it determined to partially review the ID with respect to infringement of the ‘184 patent, whether DJI’s new rotor locking assemblies should be adjudicated as part of this investigation, and the impact on this investigation, if any, of the PTAB’s Final Written Decision finding the challenged claims of the ‘184 patent
