

IV. Use of This Program Comment To Comply With Section 106 for the Effects of Facilities Construction or Modification Reviewed Under the FCC Nationwide PA and/or the FCC Collocation PA

RUS, NTIA, DHS, FRA, FTA, FirstNet, and OSMRE will not need to comply with Section 106 with regard to the effects of communications facilities construction or modification that has either undergone or will undergo Section 106 review, or is exempt from Section 106 review, by the FCC under the FCC Nationwide PA and/or the FCC Collocation PA. For purposes of this program comment, review under the FCC Nationwide PA means the historic preservation review that is necessary to complete the FCC's Section 106 responsibility for an undertaking that is subject to the FCC Nationwide PA.

When an RUS, NTIA, DHS, FRA, FTA, FirstNet, or OSMRE undertaking includes both communications facilities construction or modification components that are covered by the FCC Nationwide PA or Collocation PA and components other than such communications facilities construction or modification, RUS, NTIA, DHS, FRA, FTA, FirstNet, or OSMRE, as applicable, will comply with Section 106 in accordance with the process set forth at 36 CFR 800.3 through 800.7, or 36 CFR 800.8(c), or another applicable alternate procedure under 36 CFR 800.14, for the components other than communications facilities construction or modification. However, RUS, NTIA, DHS, FRA, FTA, FirstNet, or OSMRE will not have to consider the effects of the communications facilities construction or modification component of the undertaking on historic properties.

Whenever RUS, NTIA, DHS, FRA, FTA, FirstNet, or OSMRE uses this Program Comment for such undertakings, RUS, NTIA, DHS, FRA, FTA, FirstNet, or OSMRE will apprise the relevant State Historic Preservation Officer (SHPO) or Tribal Historic Preservation Officer (THPO) of the use of this Program Comment for the relevant communications facilities construction or modification component.

V. Reporting

No later than March 1, 2016, the FCC, RUS, NTIA, DHS, FRA, FTA, and FirstNet, and in the case of OSMRE no later than February 1, 2021, will inform the ACHP as to the reporting system that they will utilize to collectively provide annual reports to the ACHP. The intent of the annual reports will be to enable

the monitoring of the use of the Program Comment.

VI. Amendment

The terms of this Program Comment may be amended by the ACHP membership after the ACHP consults with FCC, RUS, NTIA, DHS, FRA, FTA, FirstNet, OSMRE, and other parties, as appropriate. Such amendments will then be published in the **Federal Register**.

However, terms of this Program Comment that solely affect its duration or add a Federal agency to it may be amended by the Chairman of the ACHP after notifying the rest of the ACHP membership in writing and not receiving a written objection therefrom within 10 calendar days, and consulting the FCC, RUS, NTIA, DHS, FRA, FTA, FirstNet, OSMRE and other parties as appropriate. Such amendments will then be published in the **Federal Register**. If the ACHP Chairman receives an ACHP member written objection within the 10-day period, the amendment shall not be issued by the ACHP Chairman alone but may be issued by the ACHP membership.

Any Federal agency that wishes to take advantage of this Program Comment may notify the ACHP to that effect. An amendment, as set forth above, is needed in order to add such an agency to this Program Comment.

VII. Sunset Clause

This Program Comment will terminate on September 30, 2025, unless it is amended to extend the period in which it is in effect.

The ACHP may extend the Program Comment for an additional five years beyond 2025 through an amendment per Stipulation VI of this Program Comment.

VIII. Termination

The ACHP may terminate this Program Comment, pursuant to 36 CFR 800.14(e)(6), by publication of a notice in the **Federal Register** thirty (30) days before the termination takes effect.

(END OF DOCUMENT)

Authority: 36 CFR 800.14(e).

Dated: August 6, 2020.

Javier Marqués,

General Counsel.
