

Facilities (CF) administered by RHS; Water and Waste Disposal (WWD) administered by the RUS; and Business and Industry (B&I) and Rural Energy for America Program (REAP) administered by the RBCS. This notice provides applicants with the Guarantee Fee rates, Guarantee percent for Guaranteed Loans, the Periodic Retention Fee, and Fee for Issuance of the Loan Note Guarantee Prior to Construction Completion for FY 2021, to be used when applying for guarantee loans under the aforementioned guarantee loan types. This notice is being published prior to the passage of a FY 2021 appropriation. Should the fees need to be adjusted after passage of the FY 2021 appropriation bill, the agency

will publish a subsequent notice in the **Federal Register**.

**DATES:** The fees in this notice are effective October 1, 2020.

**FOR FURTHER INFORMATION CONTACT:** For information specific to this notice contact Michele Brooks, Director, Regulations Management, Rural Development Innovation Center—Regulations Management, USDA, 1400 Independence Avenue SW, STOP 1522, Room 4266, South Building, Washington, DC 20250–1522. Telephone: (202) 690–1078. Email [michele.brooks@wdc.usda.gov](mailto:michele.brooks@wdc.usda.gov). For information regarding implementation contact your respective Rural Development State Office listed here: <http://www.rd.usda.gov/browse-state>.

**SUPPLEMENTARY INFORMATION:** As set forth in 7 CFR part 5001, 407, 454, 455 and 456 published on July 14, 2020 in **Federal Register** Vol. 85, page number 42494 which will be effective on October 1, 2020, the Agency is authorized to charge a guarantee fee, a periodic guarantee retention fee, a fee for the issuance of the loan note guarantee prior to construction completion and establish a loan guarantee percentage for guaranteed loans made under this rule loans. Pursuant to this and other applicable authority, and subject to the current appropriated authority, the Agency is establishing the following for FY 2021:

Loan type	Guarantee fee	Periodic guarantee retention fee	Loan guarantee percentage	Fee for issuance of loan note guarantee prior to construction completion
B&I .....	3.0%	0.5%	80%	0.5%
B&I Reduced Fee .....	1.0	0.5	80	0.5
CF .....	1.5	0.5	80	0.5
REAP .....	1.0	0.25	80	0.5
WWD .....	1.0	N/A	80	0.5

The initial guarantee fee is paid at the time the loan note guarantee is issued. The periodic guarantee retention fee is paid by the lender to the Agency once a year. Payment of the periodic guarantee retention fee is required in order to maintain the enforceability of the guarantee. The fee for issuance of the loan note guarantee prior to construction completion DOES NOT apply to all construction loans. This additional fee only applies to loans requesting to receive a loan note guarantee prior to project completion.

Unless precluded by a subsequent FY 2021 appropriation, these rates will apply to all guarantee loans obligated in FY 2021. The amount of the periodic retention fee on each guaranteed loan will be determined by multiplying the periodic retention fee rate by the outstanding principal loan balance as of December 31, multiplied by the percentage of guarantee.

### Foreign-Trade Zones Board

[B–55–2020]

#### **Foreign-Trade Zone (FTZ) 84—Houston, Texas Notification of Proposed Production Activity; Schlumberger Technology Corporation, Reslink Product Center (Sand Screens and Related Accessories); Baytown and Houston, Texas**

Schlumberger Technology Corporation, Reslink Product Center (STC Reslink) submitted a notification of proposed production activity to the FTZ Board for its facilities in Baytown and Houston, Texas. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on August 13, 2020.

The facilities are located within Subzone 84AA. The facilities are used for the production of sand screens and related accessories for use in the oil and gas industry. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt STC Reslink from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, STC Reslink would be able to choose the duty rates during customs entry procedures that apply to sand screens (with or without filters), swell packers, joint adapters (bottom or top), and jumper tubes (duty rate ranges from duty-free to 5.0%). STC Reslink would be able to avoid duty on foreign-status components which become scrap/waste.

Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include: Plastic machine surface protectors; rubber O-rings; ceramic nozzle inserts; stainless steel components (wire; shunt tube; joint adapter (bottom or top); plug bolt; set screw; spring latch; snap-on clip; components for filtration system (shroud; shim; mesh filter tube; filter jacket; rings (end; weld; shunt; stop; slotted inner; retainer); bracket; manifold; spacer; housings (outer; nozzle); fin plate; fin plate base; end cap; stiffener plate); Y-manifold body; shunt tube extension; hanging sleeve; premium port control valve; shuttle valve); carbon steel components (hollow profile blankpipe; threaded coupling; spiral centralizer); alloy steel hollow profile blankpipes; cast fitting components (shunt tube connector; shunt tube transition); alloy threaded couplings; casted stainless steel components (shunt ring; bracket; rectangle stop ring; manifold; latch retainer; latch receptacle); nickel alloy components (wire; end ring; slotted inner ring); and, zinc spiral centralizers (duty rate ranges from duty-free to 6.2%). The request indicates that certain materials/components may be subject to duties under Section 232 of the Trade Expansion Act of 1962 (Section 232) or Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 232 and Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is October 13, 2020.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

### Foreign-Trade Zones Board

[S–151–2020]

#### **Foreign-Trade Zone 65—Panama City, Florida; Application for Expansion of Subzone 65A; Eastern Shipbuilding Group, Inc.; Panama City and Port St. Joe, Florida**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Panama City Port Authority, grantee of FTZ 65, requesting expanded subzone status for the facilities of Eastern Shipbuilding Group, Inc. (Eastern Shipbuilding), located in Panama City and Port St. Joe, Florida. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on August 27, 2020.

The application is requesting authority to expand *Site 1* of Subzone 65A in Panama City, Florida to include an additional 1.69 acres located at 116 East Avenue South and an additional 4.38 acres located at 202 East Avenue South. The application also requests authority to include a new site (proposed *Site 4*—20 acres) located at 342 Howard Road, Port St. Joe, Florida.

Because the proposed new site of the subzone is outside of FTZ 65's Alternative Site Framework (ASF) service area, authorization of the expanded subzone would not be under the ASF. The proposed expanded subzone would be subject to the existing activation limit of FTZ 65.

In accordance with the FTZ Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to review the application and make recommendations to the Executive Secretary.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is October 13, 2020. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 26, 2020.

A copy of the application will be available for public inspection in the "Reading Room" section of the FTZ Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

For further information, contact Christopher Kemp at *Christopher.Kemp@trade.gov* or (202) 482–0862.
