

4. Provide certification to OTPCA and the Corpus Christi, Texas Area Office within 15 working days of any incident of which STP Nuclear informed affected workers of the incident and the results of the incident investigation (including the root-cause determination and preventive and corrective actions identified and implemented).

5. Notify OSHA's Office of Technical Programs and Coordination Activities (OTPCA) and the Corpus Christi, Texas Area Office at least 15 working days in advance, should the applicant need to revise the permit-required confined space isolation procedures related to condenser water box cleaning or maintenance affecting its ability to comply with the conditions of the proposed permanent variance.

6. Provide OTPCA and the Corpus Christi, Texas Area Office, by January 31 of each calendar year, with a report covering the previous calendar year, identifying the maintenance activities performed on the condenser water boxes and evaluating the effectiveness of the alternate permit-required confined space isolation procedures set forth in the conditions of the permanent variance.

7. Inform OTPCA and the Corpus Christi, Texas Area Office as soon as possible, but no later than 7 days, after it has knowledge that it will:

- (i) Cease doing business; or
- (ii) Transfer the operations specified herein to a successor company.

6. Notify all affected employees of this proposed permanent variance by the same means required to inform them of the application for a variance.

OSHA will publish a copy of this notice in the **Federal Register**.
