

Compression orders are not seeking price improvement but rather looking to free up capital that will permit those parties to continue to provide liquidity to the market, and thus is not intended to have a competitive impact.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-89705; File No. SR-IEX-2020-12]

Self-Regulatory Organizations; Investors Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend IEX Rules 2.220(a)(7) and 11.410(a) To Include MIAx PEARL, LLC in the List of Away Trading Centers To Which the Exchange Routes and the Market Data Sources the Exchange Will Use To Determine MIAx PEARL's Top of Book Quotation

August 28, 2020.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on August 25, 2020, the Investors Exchange LLC ("IEX" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) under the Act,⁴ and Rule 19b-4 thereunder,⁵ IEX is filing with the Commission a proposed rule change to amend IEX Rules 2.220(a)(7) and 11.410(a) to include MIAx PEARL, LLC ("MIAx PEARL") in the list of away trading centers to which the Exchange routes and the market data sources the Exchange will use to determine MIAx PEARL's Top of Book⁶ quotation, in anticipation of MIAx PEARL's planned launch. The Exchange has designated this rule change as "non-controversial" under Section 19(b)(3)(A) of the Act⁷ and provided the Commission with the notice required by Rule 19b-4(f)(6) thereunder.⁸

The text of the proposed rule change is available at the Exchange's website at www.iextrading.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements [sic] may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend IEX Rules 2.220(a)(7)⁹ and 11.410(a)¹⁰ to include MIAX PEARL LLC ("MIAX PEARL") in the list of away trading centers to which the Exchange routes and the market data sources the Exchange will use to determine Top of Book¹¹ quotations, in anticipation of MIAX PEARL's planned launch of equities trading on September 25, 2020.¹²

Specifically, the Exchange proposes to amend IEX Rule 2.220(a)(7) to add MIAX PEARL to the list of away trading centers to which IEX Services routes orders. As set forth in IEX Rule 11.230(b)(2), IEX Services routes eligible orders to away trading centers with accessible Protected Quotations in compliance with Regulation NMS Rule 611.¹³ The Exchange must include MIAX PEARL in its list of away trading centers to which it routes, because MIAX PEARL's best-priced, displayed quotation will be a Protected Quotation under Regulation NMS Rule 600(b)(62)¹⁴ for purposes of Regulation NMS Rule 611.¹⁵

The Exchange also proposes to amend and update the table in IEX Rule 11.410(a) specifying the primary and secondary sources for MIAX PEARL market data as a result of MIAX

PEARL's establishment of Top of Market and Depth of Market Feeds¹⁶ ("MIAX PEARL Market Data Feeds" or "direct feeds"). As specified in IEX Rule 11.410(a)(2), the Exchange uses market data from each away trading center that produces a Protected Quotation¹⁷ to determine each away trading center's Top of Book quotation, as well as the NBBO¹⁸ for certain reporting, regulatory and compliance systems within IEX. As proposed, the Exchange will use the direct feeds as the primary source to determine MIAX PEARL's Top of Book quotes. The Exchange also proposes to use securities information processor ("SIP") data, *i.e.*, CQS SIP data for securities reported under the Consolidated Quotation Services and Consolidated Tape Association plans and UQDF SIP data for securities reported under the Nasdaq Unlisted Trading Privileges plan, as the secondary source to determine MIAX PEARL's Top of Book quotes.

The Exchange is not proposing any other changes to IEX Rules 2.220(a)(7) and 11.410. The proposed changes do not alter the manner in which orders are handled or routed by the Exchange.

2. Statutory Basis

IEX believes that the proposed rule change is consistent with the provisions of Section 6(b)¹⁹ of the Act in general, and furthers the objectives of Section 6(b)(5) of the Act²⁰ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

For the reasons discussed in the Purpose section, the Exchange believes that the proposed rule change removes impediments to and perfects the mechanism of a free and open market and protects investors and the public interest because including MIAX PEARL in the list of away trading centers to which IEX routes and including the MIAX PEARL Market Data Feeds in the primary sources of market data the Exchange will use to determine away trading center Top of Book quotes (with the SIP as the secondary source) will facilitate the Exchange's compliance with the applicable requirements of Regulation NMS.

Additionally, adding MIAX PEARL to the list of away trading centers to which IEX routes and listing the MIAX PEARL Market Data Feeds as the primary source of market data the Exchange will use to determine away trading center Top of Book quotes (with the SIP as the secondary source) provides transparency with respect to the away trading centers to which IEX Services may route orders and the sources of market data the Exchange will use to determine MIAX PEARL's Top of Book quotes.

B. Self-Regulatory Organization's Statement on Burden on Competition

IEX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed update does not impact competition in any respect since its purpose is to enhance transparency with respect to the operation of the Exchange and its use of market data feeds, and to update an away market name.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act²¹ and Rule 19b-4(f)(6) thereunder.²²

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act²³ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)²⁴ permits the Commission to designate a shorter time if such action is consistent

²² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

²⁴ 17 CFR 240.19b-4(f)(6)(iii).

with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay.

The proposed rule change will merely amend IEX rules to reflect the planned September 25, 2020 launch of MIAX PEARL as an away trading center with Protected Quotes and specify that IEX will route orders to MIAX PEARL and use the direct feeds as the primary source (with the SIP as the secondary source) to determine MIAX PEARL's Top of Book quotation.

The Exchange believes that waiver of the operative delay is consistent with the protection of investors and the public interest because it will allow the Exchange to implement the proposed rule change concurrent with MIAX PEARL's launch of equities trading, thereby facilitating IEX's compliance with the applicable requirements of Regulation NMS and providing clarity to market participants with respect to whether IEX routes to MIAX PEARL and how IEX determines MIAX PEARL's Top of Book quotation. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed rule change does not raise any new or novel issues. Therefore, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.²⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²⁶ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments
