National Park Service

[NPS-WASO-CONC-28974; PPWOBSADC0, PPMVSCS1Y.Y00000]

Notice of Extension of Concession Contracts and Intent To Award Temporary Concession Contract

AGENCY: National Park Service, Interior.

ACTION: Public notice.

SUMMARY: The National Park Service hereby gives public notice that it proposes to extend the expiring concession contracts listed in the table below until the date shown in the “Extension Date” column, or until the effective date of a new contract, whichever occurs sooner. The National Park Service hereby gives public notice

that it intends to award one temporary concession contract as described below.

DATES: The National Park Service intends for the extensions and temporary concession contract to commence on January 1, 2020.

FOR FURTHER INFORMATION CONTACT: Kurt Rausch, Acting Program Chief, Commercial Services Program, National Park Service, 1849 C Street NW, Mail Stop 2410, Washington, DC 20240, Telephone: 202-513-7156.

SUPPLEMENTARY INFORMATION: All of the concession contracts listed in the first table below will expire by their terms on or before December 31, 2019. The National Park Service intends to extend the concession contracts shown until the specific date shown in the “Extension Date” column, or until the effective date of a new concession contract, whichever occurs first.

For the second table, the contract is extended until the date shown in the “Extension Date” column. Under the provisions of current concession contracts, the National Park Service authorizes extension of visitor services for the listed contracts under the terms

and conditions of the current contract (as amended if applicable). The extension of operations does not affect any rights with respect to selection for award of a new concession contract. The National Park Service has determined the proposed extensions are necessary to avoid interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid such interruption. The publication of this notice merely reflects the intent of the National Park Service and does not bind the National Park Service to extend or award any of the contracts listed below.

The information in the third table shows concession contracts for which the National Park Service intends to award temporary concession contracts to qualified persons under the authority of 36 CFR 51.24(a), for a term not to exceed 3 years. The NPS intends for the temporary concession contracts to commence as of the specific dates shown in the “Effective Date” column. This notice is not a request for proposals.
