

information presented in this notice is summarized. Those who wish to provide comments, or are otherwise interested in or affected by the project, are encouraged to obtain additional information from the contact identified in the **FOR FURTHER INFORMATION CONTACT** section. Additionally, project detailed information, including maps may be found on the web at: www.fs.usda.gov/goto/fishlake/projects.

Purpose and Need for Action

In accordance with the Forest Plan, the purpose of this action is to consider and authorize livestock grazing opportunities on the Dry Lake, Forshea, Kingston, Koosharem, Manning Creek, and Rock Springs Allotments. For more information regarding the Purpose and Need for Action refer to the website in the Supplementary Information section.

Proposed Action

This proposed action for the Southern Monroe Mountain Allotments Livestock Grazing Authorization consists of five components: Authorization, improvements, monitoring, adaptive management, and management practices.

The Richfield Ranger District, Fishlake National Forest, proposes to authorize grazing in a manner that is consistent with Forest Plan standards, guidelines, and objectives and maintains or improves natural resource conditions.

Livestock grazing would be authorized on the Dry Lake, Forshea, Kingston, Koosharem, Manning Creek, and Rock Springs allotments. For more information regarding the Proposed Action refer to the website in the Supplementary Information section.

Responsible Official

The Fishlake Forest Supervisor, Mike Elson, is the Responsible Official making project-level decisions.

Nature of Decision To Be Made

Decision-making will be limited to specific activities relating to the proposed action. The primary decision to be made will be whether or not to implement the proposed action or another alternative that responds to the project's purpose and need.

Scoping Process

This notice of intent initiates the scoping process, which guides the development of the environmental impact statement. Additionally, separate meetings will be held with permittees, state and county officials, and known interested stakeholders.

It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental impact statement. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions.

Comments received in response to this solicitation, including names and addresses of those who comment, will be part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered as well; however, those who participate in the comment process anonymously will not have standing to object.

Jacqueline Emanuel,
Acting Associate Deputy Chief, National Forest System.
