PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020, is amended as follows:

Paragraph 5000 Class D Airspace.

AAL AK D Bethel, AK [Amended]
Bethel Airport, AK
(Lat. 60°46′43″ N, long. 161°50′14″ W)

Hangar Lake
(Lat. 60°48′17″ N, long. 161°43′15″ W)

That airspace extending upward from the surface to including 2,600 feet MSL within a 6.6-mile radius of the Bethel Airport, AK, excluding that portion below 1,100 feet MSL within 7-mile radius of Hangar Lake SPB. This Class D airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6002 Class E Airspace Designated as Surface Areas.

AAL AK E2 Bethel, AK [Amended]
Bethel Airport, AK
(Lat. 60°46′43″ N, long. 161°50′14″ W)

Hangar Lake
(Lat. 60°48′17″ N, long. 161°43′15″ W)

That airspace extending upward from the surface to including 2,600 feet MSL within a 6.6-mile radius of the Bethel Airport, AK, excluding that portion below 1,100 feet MSL within 7-mile radius of Hangar Lake SPB. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

Paragraph 6004 Class E Airspace Areas Designated as an Extension to a Class D or Class E Surface Area.

AAL AK E4 Bethel, AK [Removed]

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

AAL AK E5 Bethel, AK [Amended]
Bethel Airport, AK
(Lat. 60°46′43″ N, long. 161°50′14″ W)

That airspace extending upward from 700 feet above the surface within a 6.6-mile radius of the Bethel Airport, AK, and that airspace 8 miles east and 4 miles west of the 211° radial from the airport extending from the 6.6-mile radius to 22 miles south of the Airport.

Issued in Seattle, Washington, on September 8, 2020.

Byron Chew,
Acting Group Manager, Operations Support Group, Western Service Center.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

RIN 2120–AA66

Establishment of Class E Airspace, Torrington, WY

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action establishes Class E airspace extending upward from 700 feet above the surface at Torrington Municipal Airport, Torrington, WY, to accommodate new area navigation (RNAV) procedures. This action ensures the safety and management of instrument flight rules (IFR) operations within the National Airspace System.

DATES: Effective 0901 UTC, December 31, 2020. The Director of the Federal Register approves this incorporation by reference action under Title 1 Code of Federal Regulations part 51, subject to the annual revision of FAA Order 7400.11E and publication of conforming amendments.

ADDRESSES: FAA Order 7400.11E, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at https://www.faa.gov/air_traffic/publications/.

For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267–8783. The Order is also available for inspection at the National Archives and Records Administration (NARA).

For information on the availability of FAA Order 7400.11E at NARA, email fedreg_legal@nara.gov or go to https://www.archives.gov/federal-register/cfr/ibr-locations.html.

FOR FURTHER INFORMATION CONTACT: Richard Roberts, Federal Aviation Administration, Western Service Center, Operations Support Group, 2200 S 216th Street, Des Moines, WA 98198; telephone (206) 231–2245.

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the Agency’s authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it establishes new Class E airspace extending upward from 700 feet above the surface of the earth at Torrington Municipal Airport, Torrington, WY, in support of IFR operations.

History

The FAA published a notice of proposed rulemaking in the Federal Register (85 FR 38342; June 26, 2020) for Docket No. FAA–2020–0852 to establish Class E airspace at Torrington Municipal Airport, Torrington, WY, in support of IFR operations at the airport. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received.

Class E airspace designations are published in paragraph 6005 of FAA Order 7400.11E, dated July 21, 2020, and effective September 15, 2020, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020. FAA Order 7400.11E is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11E lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

The FAA is amending 14 CFR part 71 by modifying the Class E airspace

90°N, long. 161°15′14″ W)
extending upward from 700 feet above the surface at Torrington Municipal Airport, Torrington, WV. In addition to the airspace within 7.7 miles of the airport, additional airspace accommodates two new RNAV approaches. A rectangular segment east of the airport 7 miles each side of the 109° bearing extending 27 miles from the airport, and an area northwest of the airport 2 miles each side of the 295° bearing extending from the 7.7-mile radius to 11 miles northwest of the airport.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses
The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a “significant regulatory action” under Executive Order (E.O.) 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review
The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures,” paragraph 5–6.5a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Lists of Subjects in 14 CFR Part 71
Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment
In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

1. The authority citation for part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

* * * * *

ANN WY E5 Torrington, WY [Amend]

Torrington Municipal Airport, WY (Lat. 42°03’52” N, long. 104°09’10” W)

That airspace extending upward from 700 feet above the surface within a 7.7-mile radius of the Torrington Municipal Airport, and that airspace 2 miles each side of the 295° bearing extending from the 7.7-mile radius to 11 miles northwest of the airport, and that airspace 7 miles each side of the 109° bearing extending from the 7.7-mile radius to 27 miles east from the airport.

Issued in Seattle, Washington, on September 8, 2020.

Byron Chew,
Acting Group Manager, Operations Support Group, Western Service Center.

Amendments to Procedures With Respect to Applications Under the Investment Company Act of 1940

AGENCY: Securities and Exchange Commission.

ACTION: Final rule.

SUMMARY: The Securities and Exchange Commission (the “Commission”) is adopting amendments to its rules under the Investment Company Act of 1940 to establish an expedited review procedure for applications that are substantially identical to recent precedent as well as a rule to establish an internal timeframe for review of applications outside of such expedited procedure. In addition, the Commission is adopting an amendment to its rules under the Investment Company Act of 1940 to deem an application outside of expedited review withdrawn when the applicant does not respond in writing to comments within 120 days.

DATES: Effective date: June 14, 2021.
