Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Construction of the Alaska LNG Project in Prudhoe Bay, Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; reopening of public comment period.

SUMMARY: The National Marine Fisheries Service (NMFS) is reopening the public comment period on the notice of a proposed incidental harassment authorization (IHA) under the Marine Mammal Protection Act (MMPA) to authorize the taking of marine mammals, by Level A harassment and Level B harassment, incidental to construction of the Alaska LNG Project in Prudhoe Bay, Alaska. The comment period for the notice of proposed IHA that published on July 16, 2020 closed on August 17, 2020. NMFS is reopening the public comment period to provide the public with additional time to submit information and to comment on this proposed IHA.

DATES: Comments and information must be received no later than November 16, 2020. Comments received between the

close of the first comment period on August 17, 2020 and the reopening of the comment period on September 16, 2020 will be considered timely received.

ADDRESSES: Comments should be addressed to Jolie Harrison, Chief, Permits and Conservation Division, Office of Protected Resources, National Marine Fisheries Service. Written comments should be sent to ITP.Davis@noaa.gov.

Instructions: NMFS is not responsible for comments sent by any other method, to any other address or individual, or received after the end of the comment period. Comments received electronically, including all attachments, must not exceed a 25-megabyte file size. Attachments to electronic comments will be accepted in Microsoft Word or Excel or Adobe PDF file formats only. All comments received are a part of the public record and will generally be posted online at <https://www.fisheries.noaa.gov/action/incidental-take-authorization-alaska-gasline-development-corporation-liquefied-natural-gas-0> without change. All personal identifying information (e.g., name, address) voluntarily submitted by the commenter may be publicly accessible. Do not submit confidential business information or otherwise sensitive or protected information.

FOR FURTHER INFORMATION CONTACT: Leah Davis, Office of Protected Resources, NMFS, (301) 427–8401.

SUPPLEMENTARY INFORMATION:

Background

On July 16, 2020, we published a notice of proposed incidental harassment authorization to authorize the taking of marine mammals incidental to construction of the Alaska LNG Project in Prudhoe Bay, Alaska (85 FR 43382). The proposed IHA allowed for a 30-day public comment period, which ended on August 17, 2020. On August 14, 2020, we received a request from the Alaska Eskimo Whaling Commission (AEWC) requesting a 60-day extension of the comment period. The request indicated that the AEWC required more time to conduct their review and provide comments.

The AEWC reiterates that (1) the Whaling Captains, community members, and the thousands of Alaska Natives who depend on the success of their harvests for their food security will be directly affected by any adverse effects from this project, and that (2) they have a direct stake in ensuring that this project is properly and thoroughly reviewed. Specifically, they note that in addition to other challenges to

reviewing the proposed IHA within the 30 days initially provided, the summer months are a time when many community members engage in a wide range of subsistence activities. Given this, and the fact that the specified activity the IHA addresses is not scheduled to start until 2022, NMFS has elected to provide additional time for public comment.

Due to the timing of the request, it was not feasible to publish a notice in the **Federal Register** announcing a comment period extension prior to the close of the initial public comment period. Therefore, we are reopening the public comment period from September 16, 2020 until November 16, 2020 to receive additional information and comments that may be relevant to any aspect of the proposal. Comments and information submitted during the prior comment period will be fully considered in the preparation of the final IHA and need not be resubmitted.

Dated: September 11, 2020.

Donna S. Wieting,

*Director, Office of Protected Resources,
National Marine Fisheries Service.*

COMMODITY FUTURES TRADING COMMISSION

Renewal of the Global Markets Advisory Committee

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of renewal.

SUMMARY: The Commodity Futures Trading Commission (Commission) is publishing this notice to announce the renewal of the Global Markets Advisory Committee (GMAC). The Commission has determined that the renewal of the GMAC is necessary and in the public's interest, and the Commission has consulted with the General Services Administration's Committee Management Secretariat regarding the GMAC's renewal.

FOR FURTHER INFORMATION CONTACT: Andree Goldsmith, GMAC Designated Federal Officer, at 202-418-6624 or agoldsmith@cftc.gov.

SUPPLEMENTARY INFORMATION: The GMAC's objectives and scope of activities are to conduct public meetings, and to submit reports and recommendations on matters of public concern to the exchanges, firms, market users, other market participants, and the Commission regarding the regulatory challenges of a global marketplace,

which reflect the increasing interconnectedness of markets and the multinational nature of business. The GMAC will help the Commission determine how it can avoid unnecessary regulatory or operational impediments to global business while still preserving core protections for customers and other market participants. The GMAC will also make recommendations for appropriate international standards for regulating futures, swaps, options, and derivatives markets, as well as intermediaries. Additionally, the GMAC will assist the Commission in assessing the impact on U.S. markets and firms of the Commission's international efforts and the initiatives of foreign regulators and market authorities. The GMAC will also assist with identifying methods to improve both domestic and international regulatory structures while continuing to allow U.S. markets and firms to remain competitive in the global market.

The GMAC will operate for two years from the date of renewal unless the Commission directs that the GMAC terminate on an earlier date. A copy of the GMAC renewal charter has been filed with the Commission; the Senate Committee on Agriculture, Nutrition and Forestry; the House Committee on Agriculture; the Library of Congress; and the General Services Administration's Committee Management Secretariat. A copy of the renewal charter will be posted on the Commission's website at www.cftc.gov.

Dated: September 11, 2020.

Christopher Kirkpatrick,

Secretary of the Commission.
