Previous Request for Comments

This request provides a 30-day comment period required by OIRA. The Coast Guard published the 60-day notice (85 FR 41060, July 8, 2020) required by 44 U.S.C. 3506(c)(2). That notice elicited one unrelated comment. Accordingly, no changes have been made to the Collection.

Information Collection Request

Title: Regattas and Marine Parades.

OMB Control Number: 1625–0008.

Summary: 46 U.S.C. 70041 authorizes the Coast Guard to issue regulations to promote the safety of life on navigable waters during regattas or marine parades. Title 33 CFR 100.15 promulgates the rules for providing notice of, and additional information for permitting regattas and marine parades (marine events) to the Coast Guard.

Need: The Coast Guard needs to determine whether a marine event may present a substantial threat to the safety of human life on navigable waters and determine which measures are necessary to ensure the safety of life during the events. Sponsors must notify the Coast Guard of the efficient means for the Coast Guard to learn of the events and address environmental impacts.

Forms: CG–4423, Application for Marine Event.

Respondents: Sponsors of marine events.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden is 3,750 hours per year. The estimated burden hours is reduced from 5,271 to 3,750 due to the increase of respondents submitting applications online as well as increased accuracy in tracking Marine Event Permit activities in the Marine Information for Safety and Law Enforcement (MISLE) database.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: September 15, 2020.
