

Disclosure Requirements—The regulation requires that, before opening an account that will engage in retail foreign exchange transactions, a banking institution must obtain from each retail foreign exchange customer an acknowledgement of receipt and understanding of a written disclosure specified in the rule and of disclosures about the banking institution’s fees and other charges and of its profitable accounts ratio. The institution must also provide monthly statements to each retail foreign exchange customer and must send confirmation statements following every transaction.

The customer dispute resolution provisions of the regulation require

certain endorsements, acknowledgements and signature language as well as the timely provision of a list of persons qualified to handle a customer’s request for arbitration.

There is no change in the method or substance of the collection. At present no FDIC-supervised institution is engaging in activities that would make them subject to the information collection requirements. The agency is keeping the estimated number of respondents to one (1) as a placeholder in case an institution elects to engage in covered activities in the future. There has been no change in the frequency of response or in the estimated number of hours required to respond.

6. **Title:** Covered Financial Company Asset Purchaser Eligibility Certification.

OMB Number: 3064–0194.

Form Number: 7300/10.

Affected Public: Any individual or entity that is a potential purchaser of assets from (1) the FDIC as receiver for a Covered Financial Company (CFC); or (2) a bridge financial company (BFC) which requires the approval of the FDIC, as receiver for the predecessor CFC and as the sole shareholder of the BFC (e.g., the BFC’s sale of a significant business line).

Burden Estimates:

SUMMARY OF ANNUAL BURDEN

Information collection description	Type of burden	Obligation to respond	Estimated number of respondents	Estimated frequency of responses	Estimated time per response (minutes)	Estimated annual burden (hours)
Covered Financial Company Asset Sales Purchaser Eligibility Certification.	Reporting	Mandatory	10	On Occasion	30	5

Total Estimated Annual Burden: 5 hours.

General Description of Collection: Assets held by the FDIC in the course of liquidating any covered financial company must not be sold to persons who contributed to the demise of a covered financial company in specified ways (e.g., individuals who profited or engaged in wrongdoing at the expense of the failed institution, or seriously mismanaged the failed institution). 12 CFR part 380 requires prospective purchasers to complete and submit a Purchaser Eligibility Certification (PEC) to the FDIC. The PEC is a self certification by a prospective purchaser that it does not fall into any of the categories of individuals or entities that are prohibited by statute or regulation from purchasing the assets of covered financial companies. The PEC will be required in connection with the sale of assets by the FDIC, as receiver for a CFC, or the sale of assets by a BFC which requires the approval of the FDIC, as receiver for the predecessor CFC and as the sole shareholder of the BFC. There is no change in the methodology or substance of this information collection. The estimated annual burden is unchanged.
