

grounds for possible disapproval under consideration:

- Whether the Exchange has demonstrated how its proposal is consistent with Section 6(b)(5) of the Act,³⁹ which requires the rules of CBOE to not be “designed to permit unfair discrimination between customers, issuers, brokers, or dealers.”

- Whether the Exchange has demonstrated how its proposal is consistent with Section 6(b)(8) of the Act,⁴⁰ which requires that the rules of CBOE not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Under the Commission’s Rules of Practice, the “burden to demonstrate that a proposed rule change is rule change is consistent with the [Act] and the rules and regulations issued thereunder . . . is on the [SRO] that proposed the rule change.”⁴¹ The description of a proposed rule change, its purpose and operation, its effect, and a legal analysis of its consistency with applicable requirements must all be sufficiently detailed and specific to support an affirmative Commission finding,⁴² and any failure of an SRO to provide this information may result in the Commission not having a sufficient basis to make an affirmative finding that a proposed rule change is consistent with the Act and the applicable rules and regulations.⁴³ Moreover, “unquestioning reliance” on an SRO’s representations in a proposed rule change would not be sufficient to justify Commission approval of a proposed rule change.⁴⁴

For the reasons discussed above, the Commission believes it is appropriate to institute proceedings pursuant to Section 19(b)(2)(B) of the Act to allow for additional consideration of the issues raised by the proposal as it determines whether the proposal should be approved or disapproved.

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the concerns identified above, as well as any others

they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change, as modified by Amendment No. 2, is inconsistent with Section 6(b)(5)⁴⁵ or any other provision of the Act, or the rules and regulation thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b–4 under the Act, any request for an opportunity to make an oral presentation.⁴⁶

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change, as modified by Amendment No. 2, should be approved or disapproved by October 16, 2020. Any person who wishes to file a rebuttal to any other person’s submission must file that rebuttal by October 30, 2020.

The Commission asks that commenters address the sufficiency and merit of the Exchange’s statements in support of the proposed rule change, in addition to any other comments they may wish to submit about the proposed rule change. In particular, the Commission seeks comment on the statements of the Exchange contained in Amendment No. 2,⁴⁷ and any other issues raised by the proposed rule change.

Comments may be submitted by any of the following methods:

Instructions to Form NRSRO under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).¹

Rule 17g–1, Form NRSRO and the Instructions to Form NRSRO contain certain recordkeeping and disclosure requirements for NRSROs. Currently, there are 9 credit rating agencies registered as NRSROs with the Commission. Based on staff experience, the Commission estimates that the revised ongoing annual burden for respondents to comply with Rule 17g–1 and Form NRSRO remains at 275 hours, but with a decrease in industry total hours to 2,475 hours, reflecting the decrease in registered entities. In addition, the Commission estimates an industry-wide annual external cost to NRSROs of \$3,600 to comply with the requirements.

Extension:

Rule 17g–2

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 17g–2 (17 CFR 240.17g–2) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”).

Rule 17g–2, “Records to be made and retained by nationally recognized statistical rating organizations,” implements the Commission’s recordkeeping rulemaking authority under Section 17(a) of the Exchange Act.¹ The rule requires a Nationally Recognized Statistical Rating Organization (“NRSRO”) to make and retain certain records relating to its business and to retain certain other business records, if such records are made. The rule also prescribes the time periods and manner in which all these records must be retained. There are 9 credit rating agencies registered with the Commission as NRSROs under section 15E of the Exchange Act, which have already established the record keeping policies and procedures required by Rule 17g–2. Based on staff experience, NRSROs are estimated to spend a total industry-wide burden of 2,151 annual hours to make and retain the appropriate records.
