SUPPLEMENTARY INFORMATION: The DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

This information collection activity provides a means to garner qualitative customer and stakeholder feedback in an efficient, timely manner. Feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues interest, or focus attention on areas where communication, training, or changes in operations or policy might improve delivery of products, services, or Federal policy. These collections will allow for ongoing, collaborative, and actionable communications between the DOL and its customers and stakeholders. Information collected will also allow feedback to contribute directly to the improvement of program management.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the ADDRESSES section. Written comments will receive consideration, and summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention 1225–0059.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. The DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

Renewal of the MCC Economic Advisory Council and Call for Nominations

AGENCY: Millennium Challenge Corporation.

ACTION: Notice.

SUMMARY: In accordance with the requirements of the Federal Advisory Committee Act, the Millennium Challenge Corporation (MCC) has renewed the charter for the MCC Economic Advisory Council (EAC) and is hereby soliciting representative nominations for the 2020–2022 term. The EAC serves MCC in an advisory capacity only and provides insight to sharpen MCC’s analytical capacity and ensure continued expertise on relevant issues related to economic development. The EAC provides a platform for engagement with economic development and evaluation experts and contributes to MCC’s mission to reduce poverty through economic growth. MCC will use the advice, recommendations, and guidance from the EAC to (i) inform threshold, compact, and concurrent regional compact development, implementation, and results measurement procedures, and (ii) assess future policy innovations and methodologies at MCC. The MCC Vice President of the Department of Policy and Evaluation affirms that the EAC is necessary and in the public interest. The EAC is seeking members to comprise a diverse group of recognized thought leaders and experts representing academic institutions, think tanks, donor organizations, and development banks. Additional information about MCC and its portfolio can be found at www.mcc.gov.

DATES: Nominations for EAC members must be received on or before 5:00 p.m. EST on November 12, 2020. Further information about the nomination process is included below. MCC plans to host the first meeting of the 2020–2022 term of the EAC in early 2021. The EAC will meet at least one time per year in Washington, DC or via video/teleconferencing. Members who are unable to attend in-person meetings may have the option to dial-in via video/teleconferencing.

SUPPLEMENTARY INFORMATION: The EAC shall consist of not more than twenty (20) individuals who are recognized experts in their field, academics, innovators, and thought leaders, representing academic organizations,
independent think tanks, international development agencies, multilateral and regional development financial institutions, and foundations. Efforts will be made to include expertise from countries and regions where MCC operates, within the resource constraints of MCC to support logistic costs. Qualified individuals may self-nominate or be nominated by any individual or organization. To be considered for the EAC, nominators should submit the following information:

- Name, title, organization and relevant contact information (including phone, mailing address, and email address) of the individual under consideration;
- A letter containing a brief biography for the nominee and description why the nominee should be considered for membership;
- CV including professional and academic credentials;
- Please do not send company, or organization brochures or any other information. Materials submitted should total two pages or less, excluding CV.

Should more information be needed, MCC staff will contact the nominee, obtain information from the nominee’s past affiliations, or obtain information from publicly available sources.

All members of the EAC will be independent of the agency, representing the views and interests of their respective institution or area of expertise, and not as Special Government employees. All members shall serve without compensation. The duties of the EAC are solely advisory and any determinations to be made or actions to be taken on the basis of EAC advice shall be made or taken by appropriate officers of MCC.

Nominees selected for appointment to the EAC will be notified by return email and receive a letter of appointment. A selection team will review the nomination packages and make recommendations regarding membership to the MCC Vice President of the Department of Policy and Evaluation based on criteria including:

1. Professional experience, and knowledge;
2. Academic field and expertise;
3. Experience within regions in which MCC works;
4. Contribution of diverse regional or technical professional perspectives, and (5) availability and willingness to serve.

Based upon the selection team’s recommendations, the MCC Vice President of the Department of Policy and Evaluation will select representatives.

In the selection of members for the EAC, MCC will seek to ensure a cross-section of those directly affected, interested, and qualified, as appropriate to the nature and functions of the EAC.

Nominations are open to all individuals without regard to race, color, religion, sex, gender, national origin, age, mental or physical disability, marital status, sexual orientation, or location.
