On July 13, 2015, Commerce published the antidumping duty (AD) Order on nails from Oman. 1 On July 1, 2019, Commerce notified interested parties of the opportunity to request an administrative review of orders with anniversaries in July 2019. 2 On July 31, 2019, Oman Fasteners LLC (Oman Fasteners) and Mid Continent Steel & Wire, Inc. (the petitioner) each requested that Commerce conduct an administrative review with respect to seven companies. 3 On September 9, 2019, Commerce initiated the AD administrative review of steel nails from Oman for the POR. 4 On October 4, 2019, Commerce selected Oman Fasteners as the sole mandatory respondent in this review and issued the initial AD questionnaire. 5 Between November 1, 2019 and June 12, 2020, Oman Fasteners timely responded to Commerce’s requests for information. On March 18, 2020, Commerce extended the deadline for the preliminary results of this review by 65 days. 6 On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, 7 and again on July 21, 2020, by an additional 60 days, 8 thereby extending the deadline for these results until September 23, 2020.

For a complete description of the scope of the Order, see the Preliminary Decision Memorandum. 10

ACCESS is available to registered users at http://access.trade.gov. Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. 11 A list of topics included in the Preliminary

1 See Certain Steel Nails from the Republic of Korea, Malaysia, the Sultanate of Oman, Taiwan, and the Socialist Republic of Vietnam: Antidumping Duty Orders, 80 FR 39994 (July 13, 2015) (Order).

2 See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review, 84 FR 31295 (July 1, 2019).

4 The following exporters and/or producers of steel nails from Oman are subject to this review: (1) Al Kiyumi Global LLC (Al Kiyumi); (2) Astrotech Steels Private Ltd. (Astrotech); (3) Geekay Wires Limited (Geekay); (4) Modern Factory For Metal Products (Modern Factory); (5) Oman Fasteners; (6) Trinity Steel Private Limited (Trinity); and (7) VSVI India Private Ltd (WWL India). See Initiation of Antidumping and Countervailing Duty Administrative Reviews, 84 FR 47242 (September 9, 2019) (Initiation Notice).

9 The shaft length of certain steel nails with flat heads or parallel shoulders under the head shall be measured from the under the head or shoulder to the tip of the point. The shaft length of all other certain steel nails shall be measured overall.

11 See Preliminary Decision Memorandum.
Decision Memorandum is included as an Appendix to this notice.

**Preliminary Determination of No Shipments**

On October 1, 3, and 4, Astrotech, Geekay, and Trinity, respectively, submitted letters certifying that each company had no exports or sales of subject merchandise into the United States during the POR. U.S. Customs and Border Protection (CBP) did not have any information to contradict these claims of no shipments during the POR. Therefore, we preliminarily determine that Astrotech, Geekay, and Trinity did not have any reviewable transactions during the POR. Consistent with Commerce’s practice, we will not rescind the review with respect to Astrotech, Geekay, and Trinity, but rather will complete the review and issue instructions to CBP based on the final results.13

**Rate for Non-Examined Companies**

The statute and Commerce’s regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or de minimis margins, and any margins determined entirely on the basis of facts available.”

**Assessment Rates**

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review.

For any individually examined respondents whose weighted-average dumping margin is above de minimis (i.e., 0.50 percent), we will calculate importer-specific ad valorem duty assessment rates on the basis of the ratio of the total amount of dumping calculated for an importer’s examined sales and the total entered value of such sales, in accordance with 19 CFR 351.212(b)(1).20 For entries of subject merchandise during the POR produced by each respondent for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company involved in the transaction.21 Where either the respondent’s weighted-average dumping margin is zero or de minimis, or an importer-specific assessment rate is zero or de minimis, we will instruct CBP to

liquidate the appropriate entries without regard to antidumping duties. For the companies which were not selected for individual review, we intend to assign an assessment rate based on the methodology described in the “Rates for Non-Examined Companies” section.

Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirement

The following cash deposit requirements will be effective upon publication of the notice of the final results of administrative review for all shipments of nails from Oman entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be the rate established in the final results of this review (except, if the rate is zero or de minimis, as it is for Oman Fasteners LLC in these preliminary results. In that case, no cash deposit will be required); (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding in which the manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of the proceeding in which the manufacturer or exporter participated; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 9.10 percent ad valorem, the all-others rate established in the less-than-fair-value investigation.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(f)(1) of the Act and 19 CFR 351.213(h)(1).

Assistant Secretary for Enforcement and Compliance.
