SUPPLEMENTARY INFORMATION:**I. Abstract**

The Equal Employment Opportunity Commission (EEOC) regulations at 29 CFR 1614.106 require that a Federal employee or applicant for Federal employment alleging discrimination based on race, color, sex, national origin, religion, age, disability, or reprisal for protected activity must submit a signed statement that is sufficiently precise to identify the actions or practices that form the bases of the complaint. The individual completing the form is asked to identify the bureau at which the alleged discrimination took place, and whether the individual worked at that bureau at the time of the alleged discrimination. The individual completing the form is also asked to describe the alleged discriminatory action(s) as clearly as possible and include the date(s) and to articulate the basis or bases of the complaint (race, color, sex, etc.). Further, the individual completing the form is asked to identify the remedy(ies) sought for the alleged discrimination. Although complainants are not required to use the proposed form to file their complaints, the Office of Civil Rights strongly encourages its use to ensure efficient case processing and trend analyses of complaint activity.
