The production activity described in the notification was authorized, subject to the applicant was notified of the FTZ Board’s decision that no further review of the activity is warranted at this time. The production activity described in the notification was authorized, subject to the FTZ Act and the FTZ Board’s regulations, including Section 400.14.

On June 1, 2020, H–J Enterprises, Inc./H–J International, Inc. (H–J) submitted a notification of proposed production activity to the FTZ Board for its facilities within Subzone 102E, in High Ridge, Missouri. The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the Federal Register inviting public comment (85 FR 35260–35261, June 9, 2020). On September 29, 2020, the applicant was notified of the FTZ Board’s decision that no further review of the activity is warranted at this time. The production activity described in the notification was authorized, subject to the FTZ Act and the FTZ Board’s regulations, including Section 400.14.

On May 29, 2020, Night Vision Technology Solutions, LLC submitted a notification of proposed production activity to the FTZ Board for its facility within Subzone 105B, in Jamestown, Rhode Island. The notification was processed in accordance with the regulations of the FTZ Board (15 CFR part 400), including notice in the Federal Register inviting public comment (85 FR 35261, June 9, 2020). On September 28, 2020, the applicant was notified of the FTZ Board’s decision that no further review of the activity is warranted at this time. The production activity described in the notification was authorized, subject to the FTZ Act and the FTZ Board’s regulations, including Section 400.14.

Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, From the People’s Republic of China: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2017–2018

SUMMARY: The Department of Commerce (Commerce) continues to find that manufacturers/exporters of crystalline silicon photovoltaic cells, whether or not assembled into modules (solar cells), from the People’s Republic of China (China) sold solar cells in the United States at less than normal value during the period of review (POR) December 1, 2017 through November 30, 2018.

SUPPLEMENTARY INFORMATION:

Background

On February 10, 2020, Commerce published in the Federal Register the preliminary results of the 2017–2018 administrative review of the antidumping duty order on solar cells from the China.1 For events subsequent to the Preliminary Results, see Commerce’s Issues and Decision Memorandum.2 The final weighted-average dumping margins are listed below in the “Final Results of Review” section of this notice.

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days,3 thereby extending the deadline for these results until July 28, 2020. On July 21, 2020, Commerce tolled all for preliminary and final results in administrative reviews by an additional 60 days,4 thereby extending the deadline for these final results until September 28, 2020.

Scope of the Order

The merchandise covered by this order is crystalline silicon photovoltaic cells, and modules, laminates, and panels, consisting of crystalline silicon photovoltaic cells, whether or not partially or fully assembled into other products, including, but not limited to, modules, laminates, panels and building integrated materials.5 Merchandise covered by this order is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under subheadings 8501.61.0000, 8507.20.80, 8541.40.6015, 8541.40.6020, 8541.40.6025, 8541.40.6030, 8541.40.6035, 8541.40.6045, and 8501.31.8000. Although these HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs filed by parties in this review are addressed in the Issues and Decision Memorandum. A list of the issues that parties raised, and to which we responded in the Issues and Decision Memorandum, follows as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/. The paper and electronic versions of the Issues and Decision Memorandum are identical in content.

2 See Memorandum, “Issues and Decision Memorandum for the Final Results of the 2017–2018 Antidumping Duty Administrative Review of Crystalline Silicon Photovoltaic Cells, Whether or Not Assembled Into Modules, From the People’s Republic of China” (Issues and Decision Memorandum), dated concurrently with, and hereby adopted by, this notice.

5 For a complete description of the scope of the order, see Issues and Decision Memorandum.
