Comments are not allowed to provide other than a U.S.-made or designated country end product, unless the requirement is waived.

d. 52.225–8, Duty-Free Entry. This clause requires contractors to notify the contracting officer when they purchase foreign supplies, in order to determine whether the supplies should be duty-free. The notice shall identify the foreign supplies, estimate the amount of duty, and the country of origin. The contractor is not required to identify foreign supplies that are identical in nature to items purchased by the contractor or any subcontractor in connection with its commercial business, and segregation of these supplies to ensure use only on Government contracts containing duty-free entry provisions is not economical or feasible. In addition, all shipping documents and containers must specify certain information to assure the duty-free entry of the supplies.

e. Construction provisions and clauses:

- 52.225–9, Buy American—Construction Materials
- 52.225–10, Notice of Buy American Requirement—Construction Materials
- 52.225–11, Buy American—Construction Materials Under Trade Agreements
- 52.225–12, Notice of Buy American Requirement—Construction Materials Under Trade Agreements
- 52.225–41, Required Use of American Iron, Steel and Manufactured Goods—Buy American—Construction Materials

The listed provisions and clauses provide that an offeror or contractor requesting to use foreign construction material due to unreasonable cost of domestic construction material shall provide adequate information to permit evaluation of the request.

[Docket No. FDA–2020–D–1137]

Investigational COVID–19 Convalescent Plasma; Guidance for Industry; Withdrawal of Guidance; Correction

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a notice that published in the Federal Register of September 21, 2020. The document announced the withdrawal of a final guidance for industry entitled “Investigational COVID–19 Convalescent Plasma,” which was issued in April 2020 and updated in May 2020. FDA withdrew the guidance because the Agency issued a new guidance for industry of the same title. The document was published with the incorrect docket number for the guidance for industry that was withdrawn. This document corrects that error.
