

IV. Statutory and Executive Order Reviews

Under the CAA, the Administrator is required to approve a SIP submission that complies with the provisions of the Act and applicable Federal regulations. 42 U.S.C. 7410(k); 40 CFR 52.02(a). Thus, in reviewing SIP submissions, the EPA's role is to approve state choices, provided that they meet the criteria of the CAA. Accordingly, this action merely proposes to approve state law as meeting Federal requirements and does not impose additional requirements beyond those imposed by state law. For that reason, this action:

- Is not a "significant regulatory action" subject to review by the Office of Management and Budget under Executive Orders 12866 (58 FR 51735, October 4, 1993) and 13563 (76 FR 3821, January 21, 2011);
 - Is not an Executive Order 13771 (82 FR 9339, February 2, 2017) regulatory action because SIP approvals are exempted under Executive Order 12866;
 - Does not impose an information collection burden under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*);
 - Is certified as not having a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*);
 - Does not contain any unfunded mandate or significantly or uniquely affect small governments, as described in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4);
 - Does not have federalism implications as specified in Executive Order 13132 (64 FR 43255, August 10, 1999);
 - Is not an economically significant regulatory action based on health or safety risks subject to Executive Order 13045 (62 FR 19885, April 23, 1997);
 - Is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001);
 - Is not subject to requirements of section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the CAA; and
 - Does not provide EPA with the discretionary authority to address, as appropriate, disproportionate human health or environmental effects, using practicable and legally permissible methods, under Executive Order 12898 (59 FR 7629, February 16, 1994).
- In addition, the SIP is not approved to apply on any Indian reservation land or in any other area where EPA or an Indian tribe has demonstrated that a

tribe has jurisdiction. In those areas of Indian country, the proposed rule does not have tribal implications and will not impose substantial direct costs on tribal governments or preempt tribal law as specified by Executive Order 13175 (65 FR 67249, November 9, 2000).

RIN 2060-AU54

Implementation of the Revoked 1997 8-Hour Ozone National Ambient Air Quality Standards; Updates for Areas that Attained by the Attainment Date

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing updates to the Code of Federal Regulations (CFR) to codify its findings that nine areas in four states attained the revoked 1997 8-hour ozone National Ambient Air Quality Standards (herein referred to as the 1997 ozone NAAQS) by the applicable attainment dates. The parallel direct final rule is published in the "Rules and Regulations" section of this issue of the **Federal Register** because the Agency views this as a noncontroversial action. If no significant adverse comments are received on the direct final rule, then no further action will be taken on this proposal and the direct final rule will become effective as provided in that action.

DATES: *Comments:* Comments must be received on or before November 9, 2020. If the EPA receives significant comment on the proposed rule, the EPA will respond in writing to comments and include the written responses in any subsequent final rule based on the proposed rule. *Public Hearing:* If anyone contacts us requesting to speak at a public hearing by October 14, 2020, we will hold a public hearing. Additional

information about the hearing, if requested, will be published in a subsequent **Federal Register** document and posted at <https://www.epa.gov/stationary-engines/newsroom-performance-standardsstationary-compression-ignitioninternal-0>. See **SUPPLEMENTARY INFORMATION** for information on requesting and registering for a public hearing.

ADDRESSES: *Comments:* Submit your comments, identified by Docket ID No. EPA-HQ-OAR-2019-0611, at <http://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be edited or removed from *Regulations.gov*. The EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. The EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the Web, Cloud or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/comments.html>. Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room are closed to the public, with limited exceptions, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit comments via <https://www.regulations.gov/> or email, as there may be a delay in processing mail and faxes. Hand deliveries and couriers may be received by scheduled appointment only. For further information on EPA Docket Center services and the current status, please visit us online at <https://www.epa.gov/dockets>.

To request a public hearing, contact Ms. Pam Long, U.S. EPA, Office of Air Quality Planning and Standards, Air Quality Policy Division (C504-01), Research Triangle Park, NC 27711; telephone number (919) 541-0641; email address: long.pam@epa.gov.

SUPPLEMENTARY INFORMATION:

I.

A. Does this action apply to me?

Entities potentially affected directly by this proposed action include the public seeking information on the air quality status of the subject areas, and State air agencies for which areas are found to attain by the attainment date.

B. What should I consider as I prepare my comments for the EPA?

When submitting comments, remember to:

- Identify the rulemaking docket by docket number and other identifying information (subject heading, **Federal Register** date, and page number).
- Follow directions. The proposed rule may ask you to respond to a specific question or organize comments by referencing a Code of Federal Regulations (CFR) part or section number.
- Explain why you agree or disagree, suggest alternatives and substitute language for your requested changes.
- Describe any assumptions and provide any technical information and data that you used to support your comment.
- If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow for it to be reproduced.
- Provide specific examples to illustrate your concerns wherever possible and suggest alternatives.
- Explain your views as clearly as possible avoiding the use of profanity or personal threats.
- Make sure to submit your comments by the comment period deadline identified.

C. How can I find information about a possible hearing?

To request a public hearing or information pertaining to a public hearing regarding this document, contact Ms. Pam Long, OAQPS, U.S. EPA, at (919) 541-0641 or long.pam@epa.gov on or before October 14, 2020. Additional information about the hearing, if one is requested, will be published in a subsequent **Federal Register** document.

II. Direct Final Rule

Updates to 40 CFR part 52 are proposed by this notice exactly as given

in the direct final rule, which is published in the Rules and Regulations section of this issue of the **Federal Register**. The EPA has published the updates to part 52 as a direct final action because the EPA views the updates as noncontroversial and anticipates no significant adverse comments. The EPA has explained its reasons for these updates in the direct final rule. If no significant adverse comments are received, no further action will be taken on this proposal, and the direct final rule will become effective as provided in that action.

If the EPA receives relevant adverse comments on the direct final rule, the EPA will publish a timely withdrawal of the direct final rule in the **Federal Register**. If the direct final rule in the Rules and Regulations section of this issue of the **Federal Register** is withdrawn, all comments received on this proposal will be addressed in a subsequent final rule. In such case, the EPA does not intend to institute a second comment period on the subsequent final action. Any parties interested in commenting should do so at this time. For details of the rationale for the proposal and the regulatory revisions, see the direct final rule published in the Rules and Regulations section of this issue of the **Federal Register**.

III. Statutory and Executive Order Reviews

For a complete discussion of the administrative requirements applicable to this proposed action, see the direct final rule in the Rules and Regulations section of this issue of the **Federal Register**.
