

consideration in money or money's worth.

(B) *Example.* The following example illustrates the application of this paragraph (c)(2)(v):

Example. Employer T operates a restaurant. T provides food and beverages to its food service employees before, during, and after their shifts for no consideration. Under section 274(e)(8) and this paragraph (c)(2)(v), the expenses associated with the food and beverages provided to the employees are not subject to the 50 percent deduction limitation in paragraph (a) of this section because the restaurant sells food and beverages to customers in a bona fide transaction for an adequate and full consideration in money or money's worth. Thus, T may deduct 100 percent of the food and beverage expenses.

(d) *Applicability date.* This section applies for taxable years that begin on or after October 9, 2020.

Sunita Lough,

Deputy Commissioner for Services and Enforcement.

Approved: September 25, 2020.
