The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at https://edis.usitc.gov.

SUPPLEMENTARY INFORMATION:

Background.—On July 6, 2020, the Commission determined that the domestic interested party group response to its notice of institution (85 FR 18268, April 1, 2020) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews. Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, https://edis.usitc.gov). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report.—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on October 9, 2020, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,2 and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before October 21, 2020 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by October 21, 2020. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s Handbook on Filing Procedures, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

2 The Commission has found the joint response to its notice of institution filed on behalf of seven domestic producers of oil country tubular goods, BENTLER Steel/Tube Manufacturing Corp., IPSCO Tubulars, Inc., United States Steel Corporation, Vallourec STAR, L.P., Welded Tube USA Inc., Maverick Tube Corporation, and Tenaris Bay City, Inc. (collectively, “domestic interested parties”) to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

Lisa Barton, Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation No. TA–201–77]

Fresh, Chilled, or Frozen Blueberries; Institution of Investigation, Scheduling of Public Hearings, and Determination That the Investigation Is Extraordinarily Complicated

ACTION: Notice of institution of investigation and scheduling of public hearings; determination that the investigation is extraordinarily complicated.

SUMMARY: Following receipt of a request from the United States Trade Representative (“USTR”) on September 29, 2020, the Commission has instituted Investigation No. TA–201–77 pursuant to section 202 of the Trade Act of 1974 (“the Act”) to determine whether fresh, chilled, or frozen blueberries are being imported into the United States in such increased quantities as to be a substantial cause of serious injury, or the threat thereof, to the domestic industry producing an article like or directly competitive with the imported article. The Commission has determined that this investigation is “extraordinarily complicated” within the meaning of section 202(b)(2)(B) of the Act, and will make its injury determination within 135 days after the petition was filed, or by February 11, 2021. The Commission will submit to the President the report required under section 202(f)(1) of the Act within 180 days after the date on which the petition was filed, or by March 29, 2021.

General information concerning the Commission may also be obtained by accessing its internet server (https://
SUPPLEMENTARY INFORMATION:

Background.—This investigation is being instituted, pursuant to section 202 of the Act (19 U.S.C. 2252), in response to a request filed on September 29, 2020, by the USTR.

The imported articles covered by this investigation are fresh, chilled, or frozen blueberries (“blueberries”). For Customs purposes, the blueberries covered by the investigation are provided for under Harmonized Tariff Schedule of the United States (“HTSUS”) statistical reporting numbers 0810.40.0024; 0810.40.0026; 0810.40.0029; 0811.90.2010; 0811.90.2024; and 0811.90.2030. These HTSUS numbers are provided for convenience, and the written description of the scope is dispositive.

Determination that investigation is extraordinarily complicated.—The Commission has determined that this investigation is “extraordinarily complicated” within the meaning of section 202(b)(2)(B) of the Act (19 U.S.C. 2252(b)(2)(B)). The Commission’s decision to designate this investigation “extraordinarily complicated” is based on the complexity of the investigation, including the need to collect data and other information from a large number of firms involved in the domestic production, processing, and/or marketing of blueberries. Ordinarily, the Commission is required to make its injury determination within 120 days after the petition was filed, or by January 27, 2021. The statute permits the Commission to take up to 30 additional days to make its injury determination in an investigation where it determines that the investigation is extraordinarily complicated. In this instance, the Commission intends to take fifteen extra days and make its injury determination by February 11, 2021. As required by section 202(f)(1) of the Act (19 U.S.C. 2252(f)(1)), the Commission will submit its report to the President no later than 180 days after the day on which the USTR requested the investigation.

Participation in the investigation and public service list.—Persons wishing to participate in the investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission’s rules, not later than 21 days after publication of this notice in the Federal Register. The Secretary will prepare a service list containing the names and addresses of all persons, or their representatives, who are parties to this investigation upon the expiration of the period for filing entries of appearance.

Limited disclosure of confidential business information (CBI).—Pursuant to § 206.17 of the Commission’s rules, the Secretary will make CBI gathered in this investigation available to authorized applicants under an administrative protective order (APO) issued in the investigation in accordance with the procedures set forth in section 206.17 of the rules, provided that the application is made not later than 21 days after the publication of this notice in the Federal Register. The Secretary will maintain a separate service list for those parties authorized to receive CBI under the APO.

The Commission may also include some or all CBI submitted in this investigation in the report it sends to the President and the U.S. Trade Representative in this or a related investigation, if the Commission will not otherwise disclose information which it considers to be CBI unless the party submitting the information had notice, at the time of submission, that such information would be released by the Commission, or such party subsequently consents to the release of the information. See 19 U.S.C. 2252(a)(8) and 19 U.S.C. 1332(g).

Hearings on injury and remedy.—The Commission has scheduled separate hearings in connection with the injury phase and remedy phase (if necessary) of this investigation. It appears at this time that the injury phase hearing and possibly the remedy phase hearing will be held via an online videoconferencing platform. Information about the place and form of the hearings, including how to participate in and/or view the hearings, will be posted on the Commission’s website at https://www.usitc.gov/calendarpad/calendar.html. Interested parties should check the Commission’s website periodically for updates.

The hearing on injury will be held beginning at 9:30 a.m. EST on January 11, 2021, either via an online videoconferencing platform or at the U.S. International Trade Commission Building, 500 E Street SW, Washington, DC. In the event the Commission makes an affirmative injury determination or is equally divided on the question of injury in this investigation, a hearing on the question of remedy will be held beginning at 9:30 a.m. on February 25, 2021. Requests to appear at the hearings should be submitted in writing to the Secretary, or such party subsequently consents to the hearing testimony in camera no later than 7 business days prior to the date of the respective hearings.

Written submissions.—Each party which is an interested party may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of sections 201.7, 206.7, and 206.8 of the Commission’s rules. Please note that section 201.8 of the Commission’s rules has been temporarily amended by 85 FR 15798 (March 19, 2020). Under that rule waiver, the Office of the Secretary will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, https://edis.usitc.gov). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

The deadline for filing prehearing briefs on injury is December 29, 2020; that for filing prehearing briefs on remedy, including any commitments pursuant to 19 U.S.C. 2252(a)(6)(B), is February 18, 2021. Parties may also file written testimony in connection with their presentation at the hearing, as provided in sections 201.13, 206.5, and 206.8 of the Commission’s rules, and posthearing briefs, which must conform with the provisions of sections 201.8, 201.13, 206.7, and 206.8 of Commission’s rules. Persons appearing at the injury and/or remedy phase hearings must file, with the Secretary, an electronic copy of the oral statement they plan to present at the hearing no later than noon, January 11, 2021, and February 24, 2021, respectively. The deadline for filing posthearing briefs for the injury phase of the investigation is January 19, 2021. The deadline for filing posthearing briefs for the remedy phase of the investigation, if any, is March 3, 2021.

No posthearing brief, either in the injury phase or any remedy phase, shall
