## FEDERAL RETIREMENT THRIFT INVESTMENT BOARD

### Notice of Board Meeting

**DATES:** October 19, 2020 at 10:00 a.m.

**ADDRESSES:** Telephonic. Dial-in (listen only) information: Number: 1-877-446-3914, Code: 9640426.

**FOR FURTHER INFORMATION CONTACT:** Kimberly Weaver, Director, Office of External Affairs, (202) 942-1640.

#### SUPPLEMENTARY INFORMATION:

#### Board Meeting Agenda

##### *Open Session*

1. Approval of the September 14, 2020 Board Meeting Minutes
2. Investment Manager Annual Service Review
3. Monthly Reports
  - (a) Participant Activity Report
  - (b) Legislative Report
4. Quarterly Reports
  - (c) Investment Policy
  - (d) Budget Review
  - (e) Audit Status
5. Mid-Year Financial Review
6. Enterprise Risk Management Update

##### *Closed Session*

Information covered under 5 U.S.C. 552b(c)(6) and (c)(9)(b).

Dated: October 7, 2020.

**Dharmesh Vashee,**

*Acting General Counsel, Federal Retirement Thrift Investment Board.*

## GENERAL SERVICES ADMINISTRATION

[Notice-PBS-2020-08; Docket No. 2020-0002; Sequence No. 35]

### Notice of Availability for the Final Environmental Impact Statement for the Expansion and Modernization of the San Luis I Land Port of Entry, San Luis, Arizona

**AGENCY:** Public Building Service (PBS), General Services Administration (GSA).

**ACTION:** Notice of availability and announcement of virtual public meeting.

**SUMMARY:** This notice announces the availability of the Final Environmental

Impact Statement (FEIS), which analyzes the potential environmental impacts of a proposal by the General Services Administration (GSA) to expand and modernize the San Luis I Land Port of Entry (LPOE) located in San Luis, Arizona along the U.S.-Mexico international border. The FEIS describes the purpose of and need for the proposed action, the alternatives being considered, and the potential impacts of each alternative on the existing environment. As the lead agency for this undertaking, GSA is acting on behalf of its major tenant at the facility, the Department of Homeland Security's U.S. Customs and Border Protection (CBP).

**DATES:** The comment period for the FEIS ends on Monday, November 9, 2020. After this date, GSA will prepare the Record of Decision (ROD). A virtual public meeting for the FEIS will be held on Tuesday, October 20, 2020 from 4:30 p.m. to 5:30 p.m. Mountain Standard Time (MST) (3:30 p.m. to 4:30 p.m. Pacific Daylight Time (PDT)).

**ADDRESSES:** Interested parties are encouraged to attend and provide comments on the FEIS. The virtual public meeting will be held via a Zoom Webinar. Pre-registration is strongly encouraged and is available on the project website provided below. The meeting will include a presentation by GSA and an opportunity for interested parties to provide comments. Comments can also be provided prior to the meeting via email to [osmahn.kadri@gsa.gov](mailto:osmahn.kadri@gsa.gov).

Additional information and an electronic copy of the FEIS, may be found online on the following website: <https://www.gsa.gov/about-us/regions/welcome-to-the-pacific-rim-region-9/land-ports-of-entry/san-luis-i-land-port-of-entry>.

**FOR FURTHER INFORMATION CONTACT:** Questions or comments on the FEIS should be directed to: Osmahn Kadri, Regional Environmental Quality Advisor/NEPA Project Manager, GSA, at 415-522-3617, or via email to [osmahn.kadri@gsa.gov](mailto:osmahn.kadri@gsa.gov). Written comments can be mailed to: GSA San Luis EIS, c/o LMI, 7940 Jones Branch Drive, Tysons, VA 22102. All comments must be received by November 9, 2020.

#### SUPPLEMENTARY INFORMATION:

##### Background

The San Luis I LPOE is located on the U.S.-Mexico international border in the City of San Luis, Arizona. It is the westernmost LPOE in Arizona and is approximately four miles from the California border. The San Luis I LPOE was built in 1982 to accommodate noncommercial traffic to and from

Mexico. The facilities at the LPOE are in deteriorated condition and are inadequate for the present volume of pedestrian and vehicle traffic. There has been a 58 percent increase in the number of personal vehicles processed since 2010. The higher volume and outdated facilities creates long wait times, leading to traffic backups in downtown San Luis.

GSA is proposing to expand and modernize the San Luis I LPOE to correct operational deficiencies imposed by deteriorating building conditions and improve the LPOE's functionality, capacity, and security. Three action alternatives, the Proposed Action, Alternative 1, and Alternative 2; and the No Action Alternative, are evaluated in the FEIS.

**Proposed Action Alternative—Demolition and Redevelopment.** GSA would acquire the land adjacent to the western end of the LPOE, the former Friendship Park, and the LPOE would be reconfigured to streamline CBP operations and inspection processes. GSA would demolish the old, deteriorated buildings and construct new buildings and infrastructure on the expanded site to accommodate the increasing volume of pedestrian and vehicle traffic. The Proposed Action would be implemented in a phased approach to alleviate potential disruptions to operations at the LPOE.

**Alternative 1—Renovate and Modernize.** GSA would not acquire former Friendship Park, but would renovate and modernize all existing facilities and infrastructure at the LPOE. The LPOE layout would remain as currently configured, and current traffic patterns entering and leaving the LPOE would remain the same.

**Alternative 2—Relocate Southbound POV Processing.** GSA would acquire Friendship Park and construct new facilities as described under the Proposed Action, however the outgoing traffic would be routed directly south from Archibald Street (through the former Friendship Park site) to Avenida Morelos in Mexico. The rerouting of southbound traveling vehicles directly south from Archibald Street would alleviate the need for vehicles to turn left onto Urtzuastegui Street.

**No Action Alternative—GSA would not renovate or modernize any portion of the LPOE. The LPOE would remain as-is and continue its operations in facilities as they are currently configured.**

**Virtual Public Meeting***Next Steps*

After comments are received from the public and reviewing agencies, GSA may: (1) Give environmental approval to the Project by signing a ROD no sooner than 30 days after the FEIS is issued. In the ROD, GSA will explain all the factors that were considered in reaching its final decision, including the environmental factors. GSA will identify the environmentally preferable alternative or alternatives and may select one of the alternatives or a combination of alternatives analyzed in the EIS; (2) Undertake additional environmental studies, or (3) Abandon the Project. If the Project is given environmental approval and funding is appropriated, the GSA could design and construct all or part of the Project.

**Jared Bradley,**

**Information Collection; Rights in Data  
and Copyrights**

**AGENCY:** Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

**ACTION:** Notice.

**SUMMARY:** Under the provisions of the Paperwork Reduction Act, the Regulatory Secretariat Division has submitted to the Office of Management and Budget (OMB) a request to review and approve a revision and renewal of a previously approved information collection requirement regarding rights in data and copyrights.

**DATES:** Submit comments on or before November 13, 2020.

**ADDRESSES:** Written comments and recommendations for this information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the search function.

Additionally submit a copy to GSA through <http://www.regulations.gov> and follow the instructions on the site. This website provides the ability to type short comments directly into the comment field or attach a file for lengthier comments.

**Instructions:** All items submitted must cite Information Collection 9000-0090, Rights in Data and Copyrights. Comments received generally will be posted without change to <http://www.regulations.gov>, including any personal and/or business confidential information provided. To confirm receipt of your comment(s), please check [www.regulations.gov](http://www.regulations.gov), approximately two-to-three days after submission to verify posting. If there are difficulties submitting comments, contact the GSA Regulatory Secretariat Division at 202-501-4755 or [GSARegSec@gsa.gov](mailto:GSARegSec@gsa.gov).

**FOR FURTHER INFORMATION CONTACT:** Zenaída Delgado, Procurement Analyst, at telephone 202-969-7207, or [zenaida.delgado@gsa.gov](mailto:zenaida.delgado@gsa.gov).

**SUPPLEMENTARY INFORMATION:****A. OMB Control Number, Title, and  
Any Associated Form(s)**

9000-0090, Rights in Data and Copyrights.

**B. Need and Uses**

Contracts must contain terms that delineate the appropriate rights and obligations of the Government and the contractor regarding the use, reproduction and disclosure of data. This clearance covers the information that offerors and contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

- *FAR 52.227-15, Representation of Limited Rights Data and Restricted Computer Software.* This provision requires an offeror to state, in response to a solicitation, whether data proposed for fulfilling the data delivery requirements qualifies as limited rights data or restricted computer software. If the Government does not receive unlimited rights, the offeror must provide a list of the data that qualify as limited rights data or restricted computer software. The offeror would identify any proprietary data it would use during contract performance, in order that the contracting officer might ascertain if such proprietary data should be delivered.

- *FAR 52.227-16, Additional Data Requirements.* This clause requires contractors to keep, for possible delivery to the Government, any data, in addition to data already required to be delivered

under the contract, first produced or specifically used in performance of the contract for a period of three years from the final acceptance of all items delivered under the contract. The data delivered under this clause may be in the form of computations, preliminary data, records of experiments, etc. For any data to be delivered under this clause, the Government will pay the contractor for converting the data into a specific form, and for reproducing and delivering the data. The purpose of such recordkeeping requirements is to ensure that, if all data requirements are not known prior to contract award, the Government can fully evaluate the research in order to ascertain future activities and to insure that the research was completed and fully reported, as well as to give the public an opportunity to assess the research results and secure any additional information.

- *FAR 52.227-17, Rights in Data-Special Works.* This clause is included in solicitations and contracts primarily for production or compilation of data. It is used in rare and exceptional circumstances to permit the Government to limit the contractor's rights in data by preventing the release, distribution, and publication of any data first produced in the performance of the contract. This clause may also be limited to particular items and not the entire contract. This clause requires contractors to assign (with or without registration), or obtain the assignment of, the copyright to the Government or its designated assignee.

- *FAR 52.227-18, Rights in Data-Existing Works.* This clause is used when the Government is acquiring existing audiovisual or similar works, such as books, without modification. This clause requires contractors to obtain license for the Government to reproduce, prepare derivative works, and perform and display publicly the materials.

- *FAR 52.227-19, Commercial Computer Software License.* This clause requires contractors to affix a notice on any commercial software delivered under the contract that provides notice that the Government's rights regarding the data are set forth in the contract.

- *FAR 52.227-20, Rights in Data-SBIR Program.* This clause authorizes contractors under Small Business Innovation Research (SBIR) contracts to affix a notice to SBIR data delivered under the contract to limit the Government's rights to disclose data first produced under the contract. Contractors shall obtain from their subcontractors all data and rights necessary to fulfill the contractor's obligations to the Government under the
