Agency Information Collection Activities; Enterprise License Agreement GIS Software User Information Collection

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Bureau of Indian Affairs (BIA) are proposing a new information collection. Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The Bureau of Indian Affairs (BIA) Branch of Geospatial Support (BOGS) manages the Department of the Interior’s (DOI) software Enterprise Licensing Agreement (ELA) with ESRI for Indian Affairs. A critical part of the ELA is for BOGS to keep accurate and up-to-date licensing counts for all ELA software users. Doing so provides BIA an accurate account of its total geographic information system (GIS) software user community, which in turn drives the overall cost of BIA’s participation in this agreement. The forms in this collection are the method BIA uses to fulfill this requirement and provide accountability for the acquisition of the software.
