

address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection:

(1) *Type of Information Collection:* Reinstatement of Previously Approved Collection.

(2) *The Title of the Form/Collection:* Drug Questionnaire.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number is the DEA-341. The sponsoring component is the Drug Enforcement Administration.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public are individuals seeking employment with the Drug Enforcement Administration.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 15,000 respondents will complete the questionnaire in approximately 5 minutes.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 1,250 hours. It is estimated that applicants will take 5 minutes to complete the questionnaire. The burden hours for collecting respondent data sum to 1,250 hours (15,000 respondents × 5 minutes = 75,000 hours. 75,000/60 seconds = 1,250 hours).
