

4130, 4140, or 4340 steel and are 100 percent magnetic particle inspected before shipment.

Also excluded from the scope are tee, elbow, cross, adapter (or “crossover”), blast joint (or “spacer”), blind sub, swivel joint and pup joint which have wing nut or not. To qualify for this exclusion, these products must meet each of the following criteria: (1) Manufacturing and Inspection standard is API 6A or API 16C; and, (2) body or wing nut is permanently marked with one of the following markings: “FIG 2002,” “FIG 1502,” “FIG 1002,” “FIG 602,” “FIG 206,” or “FIG any other number” or MTR (Material Test Report) shows these FIG numbers.

To be excluded from the scope, products must have the appropriate standard or pressure markings and/or be accompanied by documentation showing product compliance to the applicable standard or pressure, e.g., “API 5CT” mark and/or a mill certification report.

Subject carbon and alloy forged steel fittings are normally entered under Harmonized Tariff Schedule of the United States (HTSUS) 7307.92.3010, 7307.92.3030, 7307.92.9000, 7307.99.1000, 7307.99.3000, 7307.99.5045, and 7307.99.5060. They may also be entered under HTSUS 7307.93.3010, 7307.93.3040, 7307.93.6000, 7307.93.9010, 7307.93.9040, 7307.93.9060, and 7326.19.0010.

The HTSUS subheadings and specifications are provided for convenience and customs purposes; the written description of the scope is dispositive.

Certain Cold-Drawn Mechanical Tubing of Carbon and Alloy Steel From India: Final Results of Countervailing Duty Administrative Review, 2017–2018

AGENCY: Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that Goodluck India Limited (Goodluck) and Tube Investments of India Ltd. (TII), producers/exporters of certain cold-drawn mechanical tubing of carbon and alloy steel (cold-drawn mechanical tubing) from India, received countervailable subsidies. The period of review is September 25, 2017 through December 31, 2018.

DATES: Applicable October 19, 2020.

FOR FURTHER INFORMATION CONTACT: Eliza Siordia, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3878.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the *Preliminary Results* of this review on March 5, 2020.¹ On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.² On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.³ The deadline for the final results of this review is now October 21, 2020. For a complete description of the events that occurred since the *Preliminary Results*, see the *Issues and Decision Memorandum*.⁴

¹ See *Certain Cold-Drawn Mechanical Tubing of Carbon and Alloy Steel from India: Preliminary Results of Countervailing Duty Administrative Review, 2017–2018*, 85 FR 12897 (March 5, 2020) (*Preliminary Results*), and accompanying *Preliminary Decision Memorandum*.

² See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews in Response to Operational Adjustments Due to COVID–19,” dated April 24, 2020.

³ See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews,” dated July 21, 2020.

⁴ See Memorandum, “Issues and Decision Memorandum for the Final Results of the Countervailing Duty Administrative Review: Certain Cold-Drawn Mechanical Tubing of Carbon and Alloy Steel from India; 2017–2018,” dated concurrently with, and hereby adopted by, this notice (*Issues and Decision Memorandum*).

Scope of the Order

The products covered by this order are cold-drawn mechanical tubing. For a complete description of the scope of the order, see the *Issues and Decision Memorandum*.

Analysis of Comments Received

All issues raised in interested parties’ briefs are addressed in the *Issues and Decision Memorandum*. A list of the issues raised by interested parties and to which we responded in the *Issues and Decision Memorandum* is provided in the Appendix to this notice. The *Issues and Decision Memorandum* is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the *Issues and Decision Memorandum* can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed and the electronic versions of the *Issues and Decision Memorandum* are identical in content.

Changes Since the Preliminary Results

After evaluating the comments received from interested parties and record information, we have made no changes to the net subsidy rate calculated for Goodluck or TII. For a discussion of these issues, see the *Issues and Decision Memorandum*.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a financial contribution from a government or public entity that gives rise to a benefit to the recipient, and the subsidy is specific.⁵ For a full description of the methodology underlying our conclusions, see the *Issues and Decision Memorandum*.

Final Results of Administrative Review

In accordance with section 751(a)(1)(A) of the Act and 19 CFR 351.221(b)(5), we determine the total estimated net countervailable subsidy rates for the period September 25, 2017 through December 31, 2018 to be as follows:

⁵ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁶ As discussed in the *Issues and Decision Memorandum*, Commerce has determined that this

Company	2017 subsidy rate (percent <i>ad valorem</i>)	2018 subsidy rate (percent <i>ad valorem</i>)
Goodluck India Limited ⁶	5.86	5.21
Tube Investments of India Ltd ⁷	4.27	5.17

Assessment Rate

In accordance with 19 CFR 351.212(b)(2), Commerce intends to issue appropriate assessment instructions to U.S. Customs and Border Protection (CBP) 15 days after publication of these final results. Commerce will instruct CBP to liquidate entries of subject merchandise produced and/or exported by Goodluck and TII, entered or withdrawn from warehouse for consumption from September 25, 2017 through December 31, 2018, at the *ad valorem* rate listed above for each respective company.

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above for 2018 for Goodluck and TII, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

These final results are issued and published in accordance with sections

rate applies to the following entities: Goodluck India Limited (formerly Good Luck Steel Tubes

751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: October 13, 2020.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.

Application(s) for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89–651, as amended by Pub. L. 106–36; 80 Stat. 897; 15 CFR part 301), we invite comments on the question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be postmarked on or before November 9, 2020. Address written comments to Statutory Import Programs Staff, Room 3720, U.S. Department of Commerce, Washington, DC 20230. In addition, please email an electronic copy of any such written comments to Dianne.Hanshaw@trade.gov. Arrangements to review these

Limited); Good Luck Steel Tubes Limited Good Luck House; and Good Luck Industries.

applications can be made by contacting Dianne.Hanshaw@trade.gov.

Docket Number: 20–003. Applicant: Rice University, Department of Microengineering, 6100 Main Street, Houston, TX 77030. Instrument: Ultrasonic Linear Piezo Stage and Controller. Manufacturer: Xeryon, Belgium. Intended Use: According to the applicant, the instrument will be used to study automatic and large-scale surgical implantation of nanoelectrode threads into rodent and primate brains. Specifically, a platform is developed that can insert 8 ultraflexible nanoelectrode threads (uNETs) into the brain simultaneously and independently, while each insertion site is flexibly defined by the surgeons' and researchers' need and can be precisely researched by micromanipulators. Successful development of this technology will significantly reduce the time, errors and tissue trauma during brain surgery, meanwhile, it will open opportunities such as slow-speed insertion, flexibly targeting multiple regions and large-scale neural recordings. Justification for Duty-Free Entry: According to the applicant, there are no instruments of the same general category manufactured in the United States. Application accepted by Commissioner of Customs: July 31, 2020.

Docket Number: 20–004. Applicant: Texas A&M University, AgriLife Research, 2147 TAMU, College Station, TX 77843–2147. Instrument: 3D Microfabrication System Photonic Professional GT. Manufacturer: Nanoscribe, Germany. Intended Use: According to the applicant, the instrument will be used to conduct research in the broad areas of material research, thin-film metal semiconductors, bio microfluidics, medical devices and optical/photonic devices, to name a few. These physical platforms will manifest in the forms of devices (ranging from 1–200 cm²) that will then be taken to individual laboratories for further experimentation in the aforementioned fields under the guidance and scope of the Texas A&M University research communities. Justification for Duty-Free Entry:

⁷ Tube Investments of India Ltd. is also known as Tube Investments of India Limited.
