ADDITIONAL INFORMATION: The HSAC meeting will be held via teleconference. Members of the public interested in participating may do so by following the process outlined below (see “Public Participation”). Written public comments prior to the meeting must be received by 5:00 p.m. EDT on Monday, November 9, 2020, and must be identified by Docket No. DHS–2020–0037. Written public comments after the meeting must be identified by Docket No. DHS–2020–0037 and may be submitted by one of the following methods:

- Email: HSAC@hq.dhs.gov. Include Docket No. DHS–2020–0037 in the subject line of the message.

Instructions: All submissions received must include the words “Department of Homeland Security” and “DHS–2020–0037,” the docket number for this action. Comments received will be posted without alteration at http://www.regulations.gov, including any personal information provided.

Docket: For access to the docket to read comments received by the Council, go to http://www.regulations.gov, search “DHS–2020–0037,” “Open Docket Folder” and provide your comments.

FOR FURTHER INFORMATION CONTACT: Mike Miron at HSAC@hq.dhs.gov or at (202) 447–3135.

SUPPLEMENTARY INFORMATION: Notice of this meeting is given under Section 10(a) of the Federal Advisory Committee Act (FACA), Public Law 92–463 (5 U.S.C. Appendix), which requires each FACA committee meeting to be open to the public.

The Council provides organizationally independent, strategic, timely, specific, actionable advice, and recommendations to the Secretary of Homeland Security on matters related to homeland security. The Council is comprised of leaders of local law enforcement, first responders, Federal, State, and Local governments, the private sector, and academia.

The Council will meet in an open session between 2:05 p.m. to 4:00 p.m. EDT. The Council will review, deliberate, and vote on the final draft reports of the Economic Security, Biometrics, Information and Communication Technology Risk Reduction subcommittees. The Council will also receive progress reports from the Youth Engagement and Academic Institutions subcommittees.

Participation: Members of the public will be in listen-only mode. The public may register to participate in this meeting via the following procedures. Each individual must provide his or her full legal name and email address no later than 5:00 p.m. EDT on Monday, November 9, 2020 to Mike Miron of the Council via email to HSAC@hq.dhs.gov or via phone at (202) 447–3135. Details on getting access for the conference call will be provided to interested members of the public after the closing of the public registration period and prior to the meeting. For information on services for individuals with disabilities, or to request special assistance, contact Mike Miron at HSAC@hq.dhs.gov or (202) 447–3135 as soon as possible.

The Council will meet in a closed session from 1:00 p.m. to 2:00 p.m. EDT to receive sensitive operational information from senior officials on intelligence, border security, transportation security, cybersecurity and infrastructure. Basis for Partial Closure: In accordance with Section 10(d) of FACA, the Acting Secretary of Homeland Security has determined this meeting requires partial closure. The disclosure of the information relayed would be detrimental to the public interest for the following reasons:

The Council will receive closed session briefings containing For Official Use Only and Law Enforcement sensitive information from senior officials. The session is closed under 5 U.S.C. 552b(c)(7)(E) because disclosure of that information could reveal investigative techniques and procedures not generally available to the public, allowing terrorists and those with interests against the United States to circumvent the law and thwart the Department’s strategic initiatives.

Specifically, there will be material presented during the briefings regarding the latest viable threats against the United States and how DHS and other Federal agencies plan to address those threats. The session is closed pursuant to 5 U.S.C. 552b(c)(9)(B) because disclosure of these techniques and procedures could frustrate the successful implementation of protective measures designed to keep our country safe.

molecular weight polyethylene. Ultra-high molecular weight polyethylene is a linear polyethylene, in granular or powder form is defined by its molecular weight, as defined by Margolie’s Equation, of greater than $1.0 \times 10^6$ g/mol. Ultra-high molecular weight polyethylene may also be defined by its melt mass-flow rate of $<$0.1 g/10 min, measured at 190 °C and 21.6 kg load, based on the methods and calculations set forth in the International Organization for Standardization (ISO) standards 21304–1 and 21304–2. Ultra-high molecular weight polyethylene has a Chemical Abstract Service (CAS) registry number of 9002–88–4. The scope includes all ultra-high molecular weight polyethylene in granular or powder forms meeting the above specifications but excludes medical-grade ultra-high molecular weight polyethylene. For Commerce’s complete scope, please see Ultra-High Molecular Weight Polyethylene From the Republic of Korea: Preliminary Affirmative Determination of Sales at Less Than Fair Value, 85 FR 63095, October 6, 2020.

Ultra-high molecular weight polyethylene is reported under the HTSUS statistical reporting numbers 3901.10.1000 and 3901.20.1000. Although the HTSUS statistical reporting numbers and CAS registry number are provided for convenience and customs purposes, the written description of the scope is dispositive.

Background.—The final phase of this investigation is being scheduled, pursuant to §207.35(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)), as a result of an affirmative preliminary determination by Commerce that imports of ultra-high molecular weight polyethylene from Korea are being sold at the retail level, representative of the subject merchandise, and the APO issued in the investigation, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigation. A party granted access to BPI in the preliminary phase of the investigation need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of this investigation will be placed in the public record on February 1, 2021, and a public version will be issued thereafter, pursuant to §207.22 of the Commission’s rules.

Hearing.—The Commission will hold a hearing in connection with the final phase of this investigation beginning at 9:30 a.m. on Thursday, February 18, 2021. Information about the place and form of the hearing, including about how to participate in and/or view the hearing, will be posted on the Commission’s website at https://www.usitc.gov/calendarpad/calendar.html. Interested parties should check the Commission’s website periodically for updates. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission no later than 21 days prior to the hearing date. A party that files a request for appearance prior to the hearing date specified in this notice. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Written submissions.—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of §207.23 of the Commission’s rules; the deadline for filing is February 9, 2021. Parties may also file written testimony in connection with their presentation at the hearing, as provided in §207.24 of the Commission’s rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission’s rules. The deadline for filing posthearing briefs is February 25, 2021. In addition, any person who has not entered an appearance as a party to the investigation may submit a written statement of information pertinent to the subject of the investigation, including statements of support or opposition to the petition, on or before February 25, 2021. On March 16, 2021, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before March 18, 2021, but such final comments must not contain new factual information and must otherwise comply with §207.30 of the Commission’s rules. All written submissions must conform with the provisions of §201.8 of the Commission’s rules; any submissions that contain BPI must also conform with the requirements of §§201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s Handbook on Filing Procedures, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to §201.12 of the Commission’s rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific

Commission Determination Not To Review an Initial Determination

Terminating the Investigation as to Respondent Suteng Innovation Technology Co., Ltd. Based on Settlement; Termination of the Investigation

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 48) of the presiding administrative law judge (“ALJ”), granting a joint motion to terminate the investigation as to respondent Suteng Innovation Technology Co., Ltd. (a.k.a. RoboSense) (“RoboSense”) based on settlement. The investigation is terminated in its entirety.

FOR FURTHER INFORMATION CONTACT: Cathy Chen, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone 202–205–2392. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at https://edis.usitc.gov. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at https://www.usitc.gov. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 17, 2019, based on a complaint filed on behalf of Velodyne Lidar, Inc. (“Velodyne”) of San Jose, California. 84 FR 48945 (Sept. 17, 2019). A supplemental complaint was filed on August 28, 2019. The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain rotating 3–D LiDAR devices, components thereof, and sensing systems containing the same by reason of infringement of claims 1–4 and 6–25 of U.S. Patent No. 7,969,558. Id. The complaint further alleges that a domestic industry exists. Id. The Commission’s notice of investigation named as respondents Hesai Photonics Technology Co., Ltd. (“Hesai”) of Shanghai, China; and RoboSense of Shenzhen, Guangdong, China. Id. The Office of Unfair Import Investigations is not participating in the investigation. Id. Respondent Hesai was terminated from the investigation based on a settlement agreement. See Order No. 33 at 1 (July 13, 2020), unreviewed by Notice (Aug. 3, 2020).

On September 30, 2020, Velodyne and RoboSense filed a joint motion to terminate the investigation with respect to RoboSense based upon a Litigation Settlement and Patent Cross License Agreement and a Master Framework Agreement. See Order No. 48 at 1 (Oct. 1, 2020). On October 1, 2020, the ALJ issued the subject ID (Order No. 48), granting the joint motion pursuant to Commission Rule 210.21(b), 19 CFR 210.21(b). Id. The ALJ found that the motion to terminate complies with the Commission’s rules, and there is no evidence that terminating this investigation by settlement would be contrary to the public interest. Id. at 3–4. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID. RoboSense is hereby terminated from the investigation. The investigation is terminated in its entirety.

The Commission vote for this determination took place on October 15, 2020.

By order of the Commission.

Lisa Barton,
Secretary to the Commission.
