## DEPARTMENT OF LABOR

### Employee Benefits Security Administration

#### Proposed Extension of Information Collection Requests Submitted for Public Comment

**AGENCY:** Employee Benefits Security Administration, Department of Labor.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor (the Department), in accordance with the Paperwork Reduction Act, provides the general public and Federal agencies with an opportunity to comment on proposed and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Employee Benefits Security Administration (EBSA) is soliciting comments on the proposed extension of the information collection requests (ICRs) contained in the documents described below. A copy of the ICRs may be obtained by contacting the office listed in the **ADDRESSES** section of this notice. ICRs also are available at [reginfo.gov](http://www.reginfo.gov/public/do/PRAMain) (<http://www.reginfo.gov/public/do/PRAMain>).

**DATES:** Written comments must be submitted to the office shown in the **ADDRESSES** section on or before December 21, 2020.

**ADDRESSES:** G. Christopher Cosby, Department of Labor, Employee Benefits Security Administration, 200 Constitution Avenue NW, Room N-

5718, Washington, DC 20210, [ebssa.opr@dol.gov](mailto:ebssa.opr@dol.gov), (202) 693-8410, FAX (202) 219-4745 (these are not toll-free numbers).

**SUPPLEMENTARY INFORMATION:** This notice requests public comment on the Department's request for extension of the Office of Management and Budget's (OMB) approval of ICRs contained in the rules and prohibited transaction exemptions described below. The Department is not proposing any changes to the existing ICRs at this time. An agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid OMB control number. A summary of the ICRs and the current burden estimates follows:

*Agency:* Employee Benefits Security Administration, Department of Labor.

*Title:* Delinquent Filer Voluntary Compliance Program.

*Type of Review:* Extension of a currently approved collection of information.

*OMB Number:* 1210-0089.

*Affected Public:* Private Sector.

*Respondents:* 11,554.

*Responses:* 11,554.

*Estimated Total Burden Cost (Operating and Maintenance):* 898,265.

*Description:* On April 27, 1995, the Department implemented the Delinquent Filer Voluntary Compliance Program (the DFVC Program). Under the DFVC Program, administrators otherwise subject to the assessment of higher civil penalties are permitted to pay reduced civil penalties for voluntarily complying with the annual reporting requirements under Title I of ERISA. The program also helps plan officials understand the law and gives immediate relief from payment of excise taxes under a class exemption.

This information collection requires providing data necessary to identify the plan along with the penalty payment. With respect to most pension plans and welfare plans, the requirement is satisfied by sending, along with the penalty payment, a copy of the delinquent annual report (without attachments or schedules) which is filed with the Department at a different address under the EFAST system. In the event that the plan administrator files the delinquent annual report using a 1998 or prior plan year form, a paper copy of only the first page of the Form 5500 or Form 5500-C, as applicable, should be submitted along with the penalty payment. With respect to "top hat" plans and apprenticeship plans, the requirement is satisfied by sending a completed first page of an annual report form along with the penalty payment.

The Department has received approval from OMB for this ICR under OMB Control No. 1210-0089. The current approval is scheduled to expire on January 31, 2021.
