These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers
This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these PORs. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties
This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

SUPPLEMENTARY INFORMATION:

Background
On June 2, 2020, Commerce published a notice of opportunity to request an administrative review of the AD order on chlorinated isocyanurates from Spain for the POR.1 On June 30, 2020, Commerce received a timely-filed request from Bio-Lab, Inc. (Bio-Lab), Clearon Corp. (Clearon), and Occidental Chemical Corporation (OxyChem), domestic producers of chlorinated isocyanurates and the petitioner in the original antidumping investigation (the petitioner) for an administrative review of one Spanish producer and/or exporter, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).

On August 6, 2020, pursuant to this request, and in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), Commerce published a notice initiating an administrative review of the antidumping duty order on chlorinated isocyanurates from Spain for one Spanish producer and/or exporter.3 On October 8, 2020, the petitioner timely withdrew its request for an administrative review.4

Rescission of Review
Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. The petitioner withdrew its request for review within the 90-day deadline. Because Commerce received no other requests for review, we are rescinding the administrative review of the order on chlorinated isocyanurates from Spain covering the June 1, 2019, through May 31, 2020, POR, in accordance with 19 CFR 351.213(d)(1).

Assessment
Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of chlorinated isocyanurates from Spain. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the Federal Register.

Notification to Importers
This notice serves as the only reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders
This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties
This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Steel Concrete Reinforcing Bars From Mexico and Turkey: Continuation of Antidumping Duty and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC) that revocation of the antidumping duty (AD) order on steel concrete reinforcing bars (rebar) from Mexico and revocation
of the countervailing duty (CVD) order on rebar from Turkey would likely lead to continuation or recurrence of dumping, countervailable subsidies, and material injury to an industry in the United States, Commerce is publishing a notice of continuation of these AD and CVD orders.

FOR FURTHER INFORMATION CONTACT: Jonathon Hall-Eastman (Mexico) and Jacqueline Arrowsmith (Turkey), AD/CVD Operations, Offices III/VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1468 and (202) 482–5255, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 6, 2014, Commerce published the AD order on rebar from Mexico and the CVD order on rebar from Turkey. On October 1, 2019, Mexico and the CVD order on rebar from Turkey; 1 On October 1, 2019, Commerce initiated the first sunset review of the Orders, pursuant to sections 751(c) and 752(a) of the Act. On October 1, 2019, the ITC instituted its reviews of the Orders. As a result of its reviews, Commerce determined, pursuant to sections 751(c)(1) and 752(c) of the Act, that revocation of the AD order on rebar from Mexico would be likely to lead to the continuation or recurrence of dumping and notified the ITC of the magnitude of the margins of dumping likely to prevail should the order be revoked. Commerce also determined, pursuant to sections 751(c)(1) and 752(b) of the Act, that revocation of the CVD order on rebar from Turkey would be likely to lead to the continuation or recurrence of countervailable subsidies and notified the ITC of the magnitude of the subsidy rates likely to prevail should the order be revoked. On October 16, 2020, the ITC published its determination, pursuant to sections 751(c) and 752(a) of the Act, that revocation of the AD order on rebar from Mexico and the CVD order on rebar from Turkey would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. Scope of the Orders

The merchandise subject to these orders is steel concrete reinforcing bar imported in either straight length or coil form (rebar) regardless of metallurgy, length, diameter, or grade. The subject merchandise is classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) primarily under item numbers 7213.10.0000, 7214.20.0000, and 7228.30.8010. The subject merchandise may also enter under other HTSUS numbers including 7215.90.1000, 7215.90.5000, 7221.00.0015, 7221.00.0030, 7221.00.0445, 7222.11.0001, 7222.11.0057, 7222.11.0059, 7222.30.0001, 7227.20.0060, 7227.90.6085, 7228.20.1000, and 7228.60.6000. Specifically excluded are plain rounds (i.e., non-deformed or smooth rebar). Also excluded from the scope is deformed steel wire meeting ASTM A1064/A1064M with no bar markings (e.g., mill mark, size or grade) and without being subject to an elongation test. HTSUS numbers are provided for convenience and customs purposes; however, the written description of the scope remains dispositive.

Continuation of the Orders

As a result of the determinations by Commerce and the ITC that revocation of the AD and CVD orders would likely lead to continuation or recurrence of dumping, countervailable subsidies, and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, Commerce hereby orders the continuation of the AD order on rebar from Mexico and the CVD order on rebar from Turkey.

U.S. Customs and Border Protection will continue to collect AD and CVD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of the Orders will be the date of publication in the Federal Register of this notice of continuation. Pursuant to section 751(c)(2) of the Act, Commerce intends to initiate the next five-year reviews of the Orders not later than 30 days prior to the fifth anniversary of the effective date of continuation.

Notification to Interested Parties

These five-year sunset reviews and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act and 19 CFR 351.218(f)(4).

Jeffrey I. Kessler,
Assistant Secretary for Enforcement and Compliance.
