Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT:

Crystal Rennie by telephone at 202–693–0456, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The Chief Evaluation Office of the U.S.

Department of Labor commissioned the high priority Apprenticeship Evidence-Building Portfolio evaluation contract to build the evidence on apprenticeship, including apprenticeship models, practices, and partnership strategies in high-growth occupations and industries. DOL’s initiatives to expand access to apprenticeship opportunities support the Presidential Executive Order “Expanding Apprenticeships in America.” The portfolio of initiatives includes the Scaling Apprenticeship Through Sector-Based Strategies grants, Closing the Skills Gap grants, Veterans Employment and Training Services Apprenticeship pilot, and other DOL investments. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on December 19, 2019 (84 FR 69778).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

[NARA–2021–004]

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: We have submitted a request to the Office of Management and Budget (OMB) for approval to continue to collect information through a voluntary survey of visitors to the National Archives Museum and building in Washington, DC. In order to measure whether the National Archives Museum is successfully achieving its goals, as well as to determine if we need to make any modifications, we conduct a survey of those who have visited the Museum, using the American Association of State and Local History (AASLH) customer survey. This is a 12-minute questionnaire given to a random sample of those exiting this location in downtown Washington, DC. We invite you to comment on this proposed information collection pursuant to the Paperwork Reduction Act of 1995.

DATES: OMB must receive comments in writing on or before November 25, 2020.

ADDRESSES: Send any comments and recommendations on the proposed

information collection in writing to www.reginfo.gov/public/do/PRAMain. You can find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Tamee Fechhelm, Paperwork Reduction Act Officer, by email at tamee.fechhelm@nara.gov or by telephone at 301.837.1694 with any requests for additional information.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), we invite the public and other Federal agencies to comment on proposed information collections. We published a notice of proposed collection for this information collection on August 7, 2020 (85 FR 47989) and we received no comments. We are therefore submitting the described information collection to OMB for approval.

If you have comments or suggestions, they should address one or more of the following points: (a) Whether the proposed information collection is necessary for NARA to properly perform its functions; (b) our estimate of the burden of the proposed information collection and its accuracy; (c) ways we could enhance the quality, utility, and clarity of the information we collect; (d) ways we could minimize the burden on respondents of collecting the information, including through information technology; and (e) whether this collection affects small businesses.

In this notice, we solicit comments concerning the following information collection:

Title: NARA Visitors Study.

OMB number: 3095–0067.

Agency form number: N/A.

Type of review: Regular.

Affected public: Individuals who visit the National Archives Experience in Washington, DC.

Estimated number of respondents: 200.

Estimated time per response: 12 minutes.

Frequency of response: On occasion (when an individual visits the National Archives Museum in Washington, DC).

Estimated total annual burden hours: 40 hours.

Abstract: The general purpose of this voluntary data collection is to benchmark NARA’s performance in relation to other history museums. Information collected from visitors will assess the overall impact, expectations, presentation, logistics, motivation, demographic profile and learning experience. Once we analyse the compiled information from the surveys

as a set, the collected information will assist us to determine our success in achieving the Museum's goals.

Swarnali Haldar,

Executive for Information Services/CIO.

NUCLEAR REGULATORY COMMISSION

[Docket No. 50-331; NRC-2020-0148]

NextEra Energy Duane Arnold, LLC; Duane Arnold Energy Center; Post- Shutdown Decommissioning Activities Report

AGENCY: Nuclear Regulatory Commission.

ACTION: Reopening of comment period.

SUMMARY: On June 19, 2020, the U.S. Nuclear Regulatory Commission (NRC) solicited comments on the post-shutdown decommissioning activities report (PSDAR) for the Duane Arnold Energy Center (DAEC). The PSDAR, which includes the site-specific decommissioning cost estimate (DCE), provides an overview of NextEra Energy Duane Arnold, LLC's (NEDA or the licensee) planned decommissioning activities, schedule, projected costs, and environmental impacts for DAEC. The public comment period closed on October 19, 2020. The NRC has decided to reopen the public comment period to allow more time for members of the public to develop and submit their comments. The NRC will hold a public meeting to discuss the PSDAR's content and receive comments once restrictions associated with the Coronavirus Disease 2019 public health emergency are lifted.

DATES: The comment period for the document published on June 19, 2020 (85 FR 37116) has been reopened. Comments should be filed no later than February 19, 2021. Comments received after this date will be considered, if it is practical to do so, but the Commission is able to ensure consideration only for comments received on or before this date.

ADDRESSES: You may submit comments by any of the following methods (unless this document describes a different method for submitting comments on a specific subject); however, the NRC
