[Docket No. EL21–9–000]
Notice of Complaint; North Carolina Electric Membership Corporation v. Duke Energy Progress, LLC

Take notice that on October 16, 2020, pursuant to sections 206 and 306 of the Federal Power Act, 16 U.S.C. 824e, 825e and Rule 206 of the Federal Energy Regulatory Commission's (Commission)

Rules of Practice and Procedure, 18 CFR 385.206, North Carolina Electric Membership Corporation (Complainant) filed a formal complaint against Duke Energy Progress, LLC, (Respondent) requesting that the Commission find that the Respondent's formula rate is unjust and unreasonable because the 11.0% return on common equity included in the Seventh Amended and Restated Power Supply and Coordination Agreement between Complainant and Respondent is excessive and therefore unjust and unreasonable, all as more fully explained in the complaint.

The Complainant certifies that copies of the complaint were served on the contacts listed for Respondent in the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the eFiling link at <http://www.ferc.gov>. Persons unable to file electronically may mail similar pleadings to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.
