SUPPLEMENTARY INFORMATION: Title: Customer Clearing Documentation and Timing of Acceptance for Clearing

17 CFR 145.9.
This is a request for extension of a currently approved information collection.

Abstract: Section 4(d)(c) of the Commodity Exchange Act ("CEA"), as amended by the Dodd-Frank Wall Street and Reform Consumer Protection Act ("Dodd-Frank Act"), directs the Commission to require futures commission merchants ("FCMs") to implement conflict of interest procedures that address such issues the Commission determines to be appropriate. Similarly, section 4s(j)(5) of the CEA, as added by the Dodd-Frank Act, requires swap dealers ("SDs") and major swap participants ("MSPs") to implement conflict of interest procedures that address such issues the Commission determines to be appropriate. Section 4s(j)(6) of the CEA prohibits a SD or MSP from adopting any process or taking any action that results in any unreasonable restraint on trade or imposes any material anticompetitive burden on trading or clearing, unless necessary or appropriate to achieve the purposes of the Act. Section 2(b)(1)(B)(ii) of the CEA requires that derivatives clearing organization ("DCOs") rules provide for the nondiscriminatory clearing of swaps executed bilaterally or through an unaffiliated designated contract market or swap execution facility.

To address these provisions, the Commission promulgated regulations that prohibit arrangements involving FCMs, SDs, MSPs, and DCOs that would (a) disclose to an FCM, SD, or MSP the identity of a customer’s original executing counterparty (§§ 1.72(a), 23.608(a), and 39.12(a)(1)(vi)); (b) limit the number of counterparties with whom a customer may enter into a trade (§§ 1.72(b), 23.608(b), and 39.12(a)(1)(vi)); (c) restrict the size of the position a customer may take with any individual counterparty, apart from an overall credit limit for all positions held by the customer at the FCM (§§ 1.72(c), 23.608(c), and 39.12(a)(1)(vi)); (d) impair a customer’s access to execution of a trade on terms that have a reasonable relationship to the best terms available (§§ 1.72(d), 23.608(d), and 39.12(a)(1)(v)); or (e) prevent compliance with specified time frames for acceptance of trades into clearing set forth in 1.74(b), 23.610(b), or 39.12(b)(7) (§§ 1.72(e), 23.608(e), and 39.12(a)(1)(vii)). Additionally, the Commission requires, through regulation 39.12(b)(7)(i)(B), DCOs to coordinate with clearing members to establish prompt processing of trades.

Under the above regulations, SDs, MSPs, FCMs, and DCOs are required to develop and maintain written customer clearing documentation and trade processing procedures. Maintenance of contracts, policies, and procedures is prudent business practice. All SDs, MSPs, FCMs, and DCOs maintain documentation consistent with these regulations. The regulations are crucial both for effective risk management and for the efficient operation of trading venues among SDs, MSPs, FCMs, and DCOs. Each of these entities has a general recordkeeping obligation for these requirements under the Commission’s regulations (§ 39.20 for DCOs; § 23.606 for SDs and MSPs; and § 1.73 for FCMs).

The information collection burden arising from the regulations primarily is restricted to the costs associated with the affected registrants’ obligation to maintain records related to clearing documentation between the customer and the customer’s clearing member, and trade processing procedures between DCOs and FCMs, SDs, and MSPs. The information collection obligations are necessary to implement certain provisions of the CEA, including ensuring that registrants exercise effective risk management and for the efficient operation of trading venues among SDs, MSPs, FCMs, and DCOs.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information by the agency. The Paperwork Reduction Act ("PRA"), Federal agencies are required to publish notice in the Federal Register concerning each proposed collection of information, including each proposed extension of an existing collection of information, and to allow 60 days for public comment. This notice solicits comments on the collection of information provided for by Part 5 of the Commission’s regulations under the Commodity Exchange Act ("CEA") relating to off-exchange foreign currency transactions. DATES: Comments must be submitted on or before December 28, 2020.

Addresses: You may submit comments, identified by OMB Control No. 3038-0062 by any of the following methods:

• Mail: Christopher Kirkpatrick, Deputy Secretary of the Commission, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581.

• Hand Delivery/Courier: Same as Mail above.

Please submit your comments using only one method. All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to https://www.cftc.gov.
