Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review.

Because Pennar's request for administrative review of itself was withdrawn within 90 days of the date of publication of the *Initiation Notice*, and no other interested party requested a review of this company, Commerce is rescinding this review with respect to Pennar, in accordance with 19 CFR 351.213(d)(1). The administrative review remains active with respect to the two remaining companies for which a review was initiated, *i.e.*, Goodluck⁷ and TPI.

Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.
