**Final Results** of this administrative review. Subsequent to the publication of the notice in the *Federal Register*, we identified an inadvertent error in the **Final Results**. Commerce made an error in the “Assessment Rates” and “Cash Deposit Requirements” sections of the notice, by inadvertently including an incorrect all-others rate for exporters and/or manufacturers not covered by the review for which the **Final Results** were published. Specifically, the all-others rate should have been listed as 0.60 percent, as reflected in the **Amended Order** issued pursuant to litigation. For reference, below are the corrected paragraphs regarding the all-others rate discussed in the **Final Results**.

**Assessment Rates**

Commerce determines, and U.S. Customs Border and Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review. Consistent with Commerce’s clarification to its assessment practice, because we determined that Jindal SAW Ltd. (JSL) had no shipments of subject merchandise to the United States during the POR, for entries of subject merchandise during the POR produced by JSL, for which this company did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate any entries at the all-others rate (i.e., 0.60 percent) if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after the date of the publication of the final results of this review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for JSL will remain unchanged from the rate assigned to them in the most recently completed segment for the company; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment; (3) if the exporter is not a firm covered in a prior review, or the original investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 0.60 percent, the all-others cash deposit rate established in the less-than-fair-value investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Conclusion**

Commerce clarifies that the “Assessment Rates” and “Cash Deposit Requirements” sections of the **Final Results** inadvertently listed the all-others rate as zero percent and that the correct all-others rate is 0.60 percent. Commerce intends to issue revised instructions to CBP for entries made during the POR, which include the corrected all-others rate.

Jeffrey I. Kessler,
Assistant Secretary for Enforcement and Compliance.

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) is rescinding the administrative review, in part, of the antidumping duty order on certain cold-drawn mechanical tubing of carbon and alloy steel (cold-drawn mechanical tubing) from India for the period June 1, 2019, through May 31, 2020.

**DATES:** Applicable October 27, 2020.

**FOR FURTHER INFORMATION CONTACT:** Alexis Cherry or Samantha Kinney, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0607 or 202–482–2285 respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On June 2, 2020, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on cold-drawn mechanical tubing from India for the period June 1, 2019, through May 31, 2020. On June 30, 2020, the petitioners filed a timely request for review with respect to Goodluck India Limited (Goodluck) and Tube Products of India, Ltd., a unit of Tube Investments of India Limited (collectively, TPID). Goodluck and Pennar Industries Limited (Pennaar) timely requested reviews of themselves. Based on these requests, on August 6, 2020, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Commerce published in the *Federal Register* a notice of initiation of an administrative review of the antidumping duty order on cold-drawn mechanical tubing from India covering the period June 1, 2019, through May 31, 2020. On October 7, 2020, Pennar withdrew its request for administrative review of itself. No other interested parties.

1 See *Antidumping or Countervailing Duty Order, Finding, or Suggested Investigation: Opportunity to Request Administrative Review*, 85 FR 33628 (June 2, 2020).
2 The petitioners are ArcelorMittal Tubular Products LLC, Michigan Seamless Tube, LLC, Plymouth Tube Co., PTC Alliance Corp., Webco Industries Inc., and Zekelman Industries.
requested an administrative review with respect to Pennar.

**Partial Recission of Review**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review.

Because Pennar’s request for administrative review of itself was withdrawn within 90 days of the date of publication of the *Initiation Notice*, and no other interested party requested a review of this company, Commerce is rescinding this review with respect to Pennar, in accordance with 19 CFR 351.213(d)(1). The administrative review remains active with respect to the two remaining companies for which a review was initiated, *i.e.*, Goodluck 7 and TPI.

**Assessment**

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of cold-drawn mechanical tubing from India at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period June 1, 2019, through May 31, 2020, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the publication of this notice in the *Federal Register*.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

**Notification Regarding Administrative Protective Order**

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

James Maeder,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
