§ 100.T11–039  Boat Parade, San Diego, CA

(a) Regulated areas. The regulations in this section apply to the following areas:

(1) Parade Area: All navigable waters, from surface to bottom, on a predetermined course in the northern portion of the San Diego Main Ship Channel from Shelter Island Basin, past the Embarcadero, crossing the federal navigable channel and ending off of Coronado Island.

(2) First Amendment Area: All navigable waters, from surface to bottom, within 200 yards of 32°43′11.0″ N, 117°10′59.8″ W, within the commercial vessel anchorage.

(b) Definitions. As used in this section—

Designated representative means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Sector San Diego (COTP) in the enforcement of the regulations in this section.

Participant means all persons and vessels registered with the event sponsor as a participants in the parade.

(c) Regulations. (1) All non-participants are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area described in paragraph (a) of this section unless authorized by the Captain of the Port Sector San Diego or their designated representative.

(2) To seek permission to enter, contact the COTP or the COTP’s representative by calling the San Diego JHOC at 619–278–7033. Those in the regulated area, including participants, must comply with all lawful orders or directions given to them by the COTP or the designated representative.

(3) All non-participants, including those engaged in protest activity, may be directed by a designated representative to the First Amendment Area described in section (a)(2) of this section, where they must remain during the effective period unless otherwise authorized or directed.

(4) The COTP will provide notice of the regulated areas through advanced notice via Broadcast Notice to Mariners and on-scene designated representatives.

(d) Enforcement period. This section will be enforced from noon through 3:30 p.m. on Sunday, November 1, 2020.

T.J. Barelli,
Captain, U.S. Coast Guard, Captain of the Port San Diego.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY
Coast Guard
33 CFR Part 165
[Docket Number USCG–2020–0632]
RIN 1625–AA00
Safety Zone; Vessel Launch, Menominee River, Marinette, WI and Menominee, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters of the Menominee River in Marinette, WI and Menominee, MI between the Highway 41 bridge and Ogden Street Bridge. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the launching of a vessel at the Fincantieri Marinette Marine Shipyard. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Lake Michigan or a designated representative.

DATES: This rule is effective from 7:30 a.m. through 12 p.m. on October 31, 2020.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to https://www.regulations.gov, type USCG–2020–0632 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Chief Petty Officer Jeromy Sherrill, Waterways Management Division, Sector Lake Michigan, U.S. Coast Guard; telephone 414–747–7148, email jeromy.n.sherrill@uscg.mil.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(b), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the involved parties did not submit notice to the Coast Guard with sufficient time remaining before the launch to publish an NPRM. Immediate action is necessary to mitigate potential safety hazards associated with the launch of the vessel. Delaying the effective date of this rule to wait for a comment period to run would be impracticable and contrary to public interest by inhibiting the Coast Guard’s ability to protect against the hazards associated with the launch on October 31, 2020.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. For the same reasons discussed in the preceding paragraph, waiting for a 30-day notice period to elapse would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the launching of a vessel into the Menominee River.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port (COTP) Lake Michigan has determined that potential hazards associated with the launching of this vessel into the Menominee River on October 31, 2020, will be a safety concern for anyone on the Menominee River between the Highway 41 Bridge located at coordinates 45.103106° N, 087.626529° W and the Ogden Street Bridge located at coordinates 45.096601° N, 087.598053° W. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the launching of a vessel on October 31, 2020.

IV. Discussion of the Rule

This rule establishes a safety zone from 7:30 a.m. to 12 p.m. on October 31,
The safety zone will cover all navigable waters of the Menominee River between the Highway 41 Bridge located at coordinates 45.103106° N, 087.626529° W and the Ogden Street Bridge located at coordinates 45.096001° N, 087.598053° W. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during the launching of a vessel. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP Lake Michigan or a designated representative. The COTP Lake Michigan or designated representative will announce specific enforcement periods for this safety zone by Broadcast Notice to Mariners.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the characteristics of the safety zone. The safety zone created by this rule will be relatively small and is designed to minimize its impact on navigable waters. This rule will prohibit entry into certain navigable waters of the Menominee River at Menominee, MI and Marinette, WI and is not anticipated to exceed five hours in duration. Thus, restrictions on access by persons and vessel movement within that particular area are expected to be minimal. Under certain conditions, moreover, persons and vessels may still transit through the safety zone when permitted by the COTP Lake Michigan.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the FOR FURTHER INFORMATION CONTACT section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small entities during rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Executive Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969(42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting less than 5 hours that prohibits entry within all navigable waters of the Menominee River between the Highway 41 Bridge and the Ogden Street Bridge during the launching of a vessel. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protestors. Protesters are asked to call or email the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without
jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.T09–0632 Safety Zone; Vessel Launch, Menominee River, Marinette, WI and Menominee, MI.

(a) Location. The safety zone encompasses all navigable waters of the Menominee River between the Highway 41 Bridge located at coordinates 45.103106° N, 087.626529° W and the Ogden Street Bridge located at coordinates 45.096001° N, 087.598053° W.

(b) Enforcement Period. The regulated area described in paragraph (a) is enforced from 7:30 a.m. through 12 p.m. on October 31, 2020.

(c) Regulations. (1) In accordance with the general regulations in section § 165.23, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port (COTP) Lake Michigan or a designated on-scene representative.

(2) This safety zone is closed to all persons and vessel traffic, except as may be permitted by the COTP Lake Michigan or a designated on-scene representative.

D.P. Montoro,
Captain, U.S. Coast Guard, Captain of the Port Lake Michigan.
