DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On October 27, 2020, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Indiana in the lawsuit entitled *United States v. City of Gary, Indiana*, Civil Action No. 20-cv-386.

The Complaint seeks civil penalties and injunctive relief for alleged violations of the Clean Air Act ("CAA") relating to a closed landfill owned and operated by the City of Gary, Indiana ("Gary" or "City"). The Complaint alleges that Gary: (1) Violated its permit and the CAA by failing to install a compliant gas collection and control system; (2) failed to properly operate its current system; (3) violated the landfill's surface methane standard; (4) failed to monitor proper operation of its flares; and (5) failed to demonstrate compliance with its gas collection wellhead standards. Under the proposed Consent Decree, Gary would be required to take a number of measures to come into compliance with the CAA. The proposed Consent Decree would require Gary to undertake a suite of improvements to Gary's gas collection and control system, including replacement of the existing flare and system upgrades to actively collect, rather than passively vent, landfill gas.
