

3, 2017). This action does not contain any information collections subject to OMB approval under the Paperwork Reduction Act (PRA) (44 U.S.C. 3501 *et seq.*), nor does it require any special considerations under Executive Order 12898, entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” (59 FR 7629, February 16, 1994).

Since tolerances and exemptions that are established on the basis of a petition under FFDCA section 408(d), such as the tolerance exemption in this final rule, do not require the issuance of a proposed rule, the requirements of the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*), do not apply.

This action directly regulates growers, food processors, food handlers, and food retailers, not States or tribes, nor does this action alter the relationships or distribution of power and responsibilities established by Congress in the preemption provisions of FFDCA section 408(n)(4). As such, the Agency has determined that this action will not have a substantial direct effect on States or tribal governments, on the relationship between the national government and the States or tribal governments, or on the distribution of

power and responsibilities among the various levels of government or between the Federal Government and Indian tribes. Thus, the Agency has determined that Executive Order 13132, entitled “Federalism” (64 FR 43255, August 10, 1999) and Executive Order 13175, entitled “Consultation and Coordination with Indian Tribal Governments” (65 FR 67249, November 9, 2000) do not apply to this action. In addition, this action does not impose any enforceable duty or contain any unfunded mandate as described under Title II of the Unfunded Mandates Reform Act (UMRA) (2 U.S.C. 1501 *et seq.*).

This action does not involve any technical standards that would require Agency consideration of voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note).

**VIII. Congressional Review Act**

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal**

**Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

**47 CFR Part 9**

[PS Docket No. 07–114; FRS 17212]

**Wireless E911 Location Accuracy Requirements**

**AGENCY:** Federal Communications Commission.

**ACTION:** Final rule; correction.

**SUMMARY:** The Federal Communications Commission (Commission) is correcting the dates announced in a document that appeared in the **Federal Register** on August 28, 2020. That document announced that compliance with specific sections of the Commission rules will not be required until the Commission publishes a document in

the **Federal Register** announcing the compliance date. This document corrects the list of rule provisions subject to this compliance date. In addition, this document revises a section of the Commission’s rules to advise that compliance is not required until after OMB approval of the information collection and recordkeeping requirements.

**DATES:** November 5, 2020.

**ADDRESSES:** Federal Communications Commission, 45 L Street NE, Washington, DC 20554.

**FOR FURTHER INFORMATION CONTACT:** John Evanoff, *john.evanoff@fcc.gov*, of the Public Safety and Homeland Security Bureau, Policy and Licensing Division, (202) 418–0848.

**SUPPLEMENTARY INFORMATION:**

**Correction**

In FR Doc. 2020–18795 appearing on page 53234 in the **Federal Register** on

Friday, August 28, 2020, the following corrections are made:

1. On page 53234, in the first column, the Compliance date is corrected to read:

*Compliance date:* Compliance will not be required for § 9.10(i)(2)(ii)(j)(4), (i)(4)(iv) and (v), (j)(4), and (k) until the Commission publishes a document in the **Federal Register** announcing the compliance date.

2. On page 53245, in the first column, paragraph 74 is corrected to read:

74. *Paperwork Reduction Act Analysis.* The requirements in sections 9.10(i)(2)(ii)(j)(4), 9.10(i)(4)(iv), 9.10(i)(4)(v), 9.10(j)(4) and 9.10(k), constitute modified information collections. They will be submitted to the Office of Management and Budget (OMB) for review under section 3507(d) of the Paperwork Reduction Act of 1995 (PRA). OMB, the general public, and other Federal agencies will be invited to comment on the new or modified information collection requirements

contained in this proceeding. This document will be submitted to OMB for review under section 3507(d) of the PRA. In addition, we note that, pursuant to the Small Business Paperwork Relief Act of 2002, we previously sought, but did not receive, specific comment on how the Commission might further reduce the information collection burden for small business concerns with fewer than 25 employees. The Commission does not believe that the new or modified information collection requirements in sections 9.10(i)(2)(ii)(j)(4), 9.10(i)(4)(iv), 9.10(i)(4)(v), 9.10(j)(4) and 9.10(k), will be unduly burdensome on small businesses. Applying these new or modified information collections will promote 911 service and emergency response to the benefit of all sizes of governmental jurisdictions, businesses, equipment manufacturers, and business associations by providing greater confidence in 911 location accuracy and greater consistency between the Commission's horizontal and vertical location rules. We describe impacts that might affect small businesses, a category that includes most businesses with fewer than 25 employees, in the FRFA in Appendix B of the *Sixth Report and Order and Order on Reconsideration*.

3. On page 53245, in the second column, paragraph 77 is corrected to read:

*77. It is further ordered that the amendments of the Commission's rules as set forth in Appendix A are adopted, effective thirty days from the date of publication in the Federal Register. Sections 9.10(i)(2)(ii)(j)(4), 9.10(i)(4)(iv), 9.10(i)(4)(v), 9.10(j)(4) and 9.10(k) contain new or modified information collection requirements that require OMB review under the PRA. The Commission directs the Public Safety and Homeland Security Bureau (Bureau) to announce the effective date of those information collections in a document published in the Federal Register after the Commission receives OMB approval, and directs the Bureau to cause section 9.10(s) to be revised accordingly.*
