SUPPLEMENTARY INFORMATION:
Description: Due to the exceptional impact of the COVID-19 pandemic, state and tribal agencies operating child support programs under title IV-D of the Social Security Act have faced significant operational and other challenges in providing critical child

support services to families. Section 301 of the Stafford Act, 42 U.S.C. 5141, provides that “Any Federal agency charged with the administration of a Federal assistance program may, if so requested by the applicant State [or Indian tribal government] or local authorities, modify or waive, for a major disaster, such administrative conditions for assistance as would otherwise prevent the giving of assistance under such programs if the inability to meet such conditions is a result of the major disaster.” To communicate that child support agencies may request relief under the Stafford Act, on May 28, 2020, OCSE published Dear Colleague Letter 20-04: Flexibilities for State and Tribal Child Support Agencies during COVID-19 Pandemic. OCSE seeks approval of a standardized request form to collect information from state and tribal IV-D agencies requesting Stafford Act administrative flexibilities, due to the COVID-19 pandemic and according to OCSE Dear Colleague Letter 20-04.

Respondents: State and tribal agencies administering a child support program under title IV-D of the Social Security Act.
