Polyethylene Terephthalate Film, Sheet, and Strip From the United Arab Emirates: Preliminary Results of Antidumping Duty Administrative Review; 2018–2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that Flex Middle East FZE (Flex), the sole producer/exporter subject to this administrative review, has made sales of subject merchandise at less than normal value. Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET Film) from the United Arab Emirates (UAE). The notice of initiation of this administrative review was published on January 17, 2020. This review only covers Flex, a producer and exporter of the subject merchandise. The period of review is November 1, 2018 through October 31, 2019. On April 24, 2020, Commerce uniformly tolled deadlines for all antidumping duty and countervailing duty administrative reviews by 50 days, and on July 21, 2020, we uniformly tolled deadlines for all antidumping duty and countervailing duty administrative reviews by an additional 60 days, thereby extending the deadline for these preliminary results until November 19, 2020.

Scope of the Order

The merchandise subject to the order is polyethylene terephthalate film. The product is currently classified under subheading 3920.62.00.90 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS number is provided for convenience and for customs purposes, the written product description, available in the Preliminary Decision Memorandum, remains dispositive.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Pursuant to sections 776(a) and (b) of the Act, Commerce has preliminarily relied upon facts otherwise available with adverse inferences (AFA) for Flex, because this respondent notified Commerce that it would not participate in the review.

For a full description of the methodology and analysis underlying the preliminary application of AFA, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/. The signed and the electronic

**Preliminary Results of Review**

As a result of our review, we preliminarily determine the following weighted-average dumping margin for the period November 1, 2018 through October 31, 2019:

**Assessment Rates**

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable. If the preliminary results are unchanged for the final results, we will instruct CBP to apply an ad valorem assessment rate of 70.75 percent to all entries of subject merchandise during the period of review from Flex. We intend to issue liquidation instructions to CBP 15 days after the publication date of the final results of this review.

**Cash Deposit Requirements**

The following deposit requirements will be effective upon publication of the final results for all shipments of PET Film from the UAE entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or de minimis, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 4.05 percent, the all-others rate established in the investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Disclosure and Public Comment**

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results within five days of the date of publication of the notice of preliminary results in the Federal Register, in accordance with 19 CFR 351.224(b). However, there are no calculations to disclose here because, in accordance with section 776 of the Act, Commerce preliminarily applied AFA to Flex, the only respondent subject to this review.

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs. Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities. Case and rebuttal briefs should be filed using ACCESS. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety through Commerce’s electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party’s name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.

**Final Results of Review**

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

**Notification to Importers**

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification to Interested Parties**

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Joseph A. Laroski Jr.,
Deputy Assistant Secretary for Policy and Negotiations.
