[Docket No. FAA-2020-1061]

Agency Information Collection Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: Advanced Qualification Program (AQP)

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The Advanced Qualification Program uses data driven quality control processes for validating and maintaining the effectiveness of air carrier training program curriculum content.

DATES: Written comments should be submitted by January 15, 2021.

ADDRESSES: Please send written comments:

By Electronic Docket:
www.regulations.gov (Enter docket number into search field).

By mail: Sandra Ray, Federal Aviation Administration, Policy Integration Branch AFS-270, 1187 Thorn Run Road, Suite 200, Coraopolis, PA 15108.

By fax: 412-239-3063

FOR FURTHER INFORMATION CONTACT: Ryan Rachfalski by email at: Ryan.P.Rachfalski@faa.gov; phone: 303-342-1951.

SUPPLEMENTARY INFORMATION: Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency

¹¹ 17 CFR 200.30-3(a)(12).

will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0701.

Title: Advanced Qualification Program (AQP) Subpart Y to 14 CFR 121.

Form Numbers: N/A.

Type of Review: Renewal of an information collection.

Background: Under Special Federal Aviation Regulation No. 58, Advanced Qualification Program (AQP), the FAA provides certificated air carriers, as well as training centers they employ, with a regulatory alternative for training, checking, qualifying, and certifying aircrew personnel subject to the requirements of 14 CFR parts 121 and 135. Data collection and analysis processes ensure that the certificate holder provides performance information on its crewmembers, flight instructors, and evaluators that will enable them and the FAA to determine whether the form and content of training and evaluation activities are satisfactorily accomplishing the overall objectives of the curriculum.

Respondents: 25 Respondents with approved Advanced Qualification Programs.

Frequency: Monthly.

Estimated Average Burden per Response: 7 hours.

Estimated Total Annual Burden: 2,100 hours.

Issued in Washington, DC, on November 9, 2020.

Sandra L. Ray,

Aviation Safety Inspector, FAA, Policy Integration Branch, AFS-270.

SUPPLEMENTARY INFORMATION:

Title: Assessment of Transportation Planning, Performance and Asset Management Agency Needs, Capabilities, and Capacity.

Background: FHWA will collect information on the current state of the practice, data, methods, and systems used by state, metropolitan, regional, local, and tribal transportation planning entities to support their required planning, performance and asset management processes in accordance with Title 23 United States Code 134, 135, 150, and 119. This includes, but is not limited to, information to support transportation research, capacity building, data collection, planning, travel modeling, and performance and asset management. This also includes information about how data is shared between planning agencies and how it is processed and used in the planning and programming context.

Questionnaires will be sent to State DOT headquarters and districts, Metropolitan Planning Organizations, Regional Planning Organizations, and

Tribal Governments. FHWA anticipates that one representative from each agency will take approximately 30 minutes to complete up to 4 questionnaires each year. The questionnaires will be administered via the internet and invitations to participate in the questionnaire will be distributed via email.

This information, once compiled, will allow the FHWA to better understand the existing capabilities that agencies across the country have in support of the planning, performance and asset management processes and the readiness they possess to handle new and ongoing challenges. As a result of the collected information, FHWA will focus its efforts and resources on providing targeted and meaningful support for planning, performance and asset management implementation nationwide. Additionally, FHWA will ensure that excellent planning, performance and asset management practices are identified will be shared broadly across the country.

Respondents: Respondents are representatives of State DOT headquarters and districts, Metropolitan Planning Organizations, Regional Planning Organizations, and Tribal Governments.

Respondents: 950 respondents annually.

Frequency: 4 per year for 3 years.

Estimated Average Burden per Response: Approximately 30 minutes.

Estimated Total Annual Burden Hours: Up to 1,900 hours annually.

Public Comments Invited

You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection of information is necessary for the USDOT's performance, including whether the information will have practical utility; (2) the data acquisition methods; (3) the accuracy of the USDOT's estimate of the burden of the proposed information collection; (4) the types of data being acquired; (5) ways to enhance the quality, usefulness, and clarity of the collected information; and (6) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.
