SMALL BUSINESS ADMINISTRATION

13 CFR Part 121

RIN 3245–AG94

Consolidation of Mentor-Protégé Programs and Other Government Contracting Amendments; Correction

AGENCY: U.S. Small Business Administration.

ACTION: Final rule; correction.

SUMMARY: The U.S. Small Business Administration (SBA) is correcting a final rule that appeared in the **Federal Register** on October 16, 2020. This rule merged the 8(a) Business Development (BD) Mentor-Protégé Program and the All Small Mentor-Protégé Program to eliminate confusion and remove unnecessary duplication of functions within SBA. This rule also eliminated the requirement that 8(a) Participants seeking to be awarded an 8(a) contract as a joint venture submit the joint venture agreement to SBA for review and approval prior to contract award, revised several 8(a) BD program regulations to reduce unnecessary or excessive burdens on 8(a) Participants, and clarified other related regulatory provisions to eliminate confusion among small businesses and procuring activities. In addition, in response to public comment, the rule required a business concern to recertify its size and/or socioeconomic status for all set-aside orders under unrestricted multiple award contracts, unless the contract authorized limited pools of concerns for which size and/or status was required. This document is making three technical corrections to the final rule.

DATES: Effective November 16, 2020.
