Preliminary Injunction

On September 18, 2020, Plaintiffs, who are three content creators using the TikTok mobile app, filed a lawsuit in the United States District Court for the Eastern District of Pennsylvania (*Douglas Marland et al. v. Trump et al.*,

No. 20–cv–4597), seeking various relief, including a court order to prohibit the Department from implementing Executive Order 13942 or the identified prohibited transactions. Plaintiffs subsequently filed a motion for a preliminary injunction to pursue such relief, limited to the prohibited transactions in Paragraph 1. On September 26, 2020, the District Court denied the Plaintiffs’ motion.

However, on October 30, 2020, the District Court issued an Order granting the Plaintiffs’ renewed motion for a preliminary injunction. This Order enjoined the Department from enforcing the Identification and the prohibition on transactions identified in Paragraphs 1–6 above.

The Department is complying with the terms of this Order. Accordingly, this serves as NOTICE that the Secretary’s prohibition of identified transactions pursuant to Executive Order 13942, related to TikTok, HAS BEEN ENJOINED, and WILL NOT GO INTO EFFECT, pending further legal developments.

Any further guidance and updates regarding the subject litigation will be posted on the Department website (www.commerce.gov) on an ongoing basis.
