**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable November 18, 2020.

**FOR FURTHER INFORMATION CONTACT:** Alice Maldonado at (202) 482-4682 or Melissa Kinter at (202) 482-1413, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 20, 2020, the Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of standard steel welded wire mesh (wire mesh) from Mexico.<sup>1</sup> Currently, the preliminary determination is due no later than December 7, 2020.

<sup>1</sup> See *Standard Steel Welded Wire Mesh from Mexico: Initiation of Less-Than-Fair-Value Investigation*, 85 FR 45167 (July 20, 2020) (Initiation Notice).

#### Postponement of Preliminary Determination

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner<sup>2</sup> makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On November 2, 2020, the petitioners submitted a timely request that Commerce postpone the preliminary determination in the LTFV investigation.<sup>3</sup> The petitioners stated that their requested postponement "will permit the agency to issue supplemental questionnaires to Aceromex, S.A. de C.V. (Aceromex) to clarify its initial responses and to accurately determine the magnitude of dumping that occurred during the period of investigation."<sup>4</sup>

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (*i.e.*, 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than January 26, 2021. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

<sup>2</sup> The petitioners are Insteel Industries, Inc.; Mid South Wire Company; National Wire LLC; Oklahoma Steel & Wire Co.; and Wire Mesh Corp.

#### Seamless Refined Copper Pipe and Tube From the Socialist Republic of Vietnam: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable November 18, 2020.

**FOR FURTHER INFORMATION CONTACT:** Ariela Garvett, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3609.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 20, 2020, the Department of Commerce (Commerce) initiated the less-than-fair value (LTFV) investigation of imports of seamless refined copper pipe and tube (copper pipe and tube) from the Socialist Republic of Vietnam (Vietnam).<sup>1</sup> Currently, the preliminary determination is due no later than December 7, 2020.

#### *Postponement of the Preliminary Determination*

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR

<sup>1</sup> See *Seamless Refined Copper Pipe and Tube from the Socialist Republic of Vietnam: Initiation of Less-Than-Fair-Value Investigation*, 85 FR 47181 (August 4, 2020).

351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On November 5, 2020, the petitioner<sup>2</sup> submitted a timely request that Commerce postpone the preliminary determination in this LTFV investigation.<sup>3</sup> The petitioner stated that it requests postponement to provide adequate time for Commerce to analyze complex issues, to accommodate extensions of time provided to the respondent to complete the questionnaire and supplemental questionnaires, and to provide Commerce additional time to conduct a thorough analysis, including by issuing additional supplemental questionnaires.<sup>4</sup>

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (*i.e.*, 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than January 26, 2021. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination in this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

**Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Groundfish Trawl Catcher Processor Economic Data Report (EDR)**

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on July 23, 2020 (85 FR 44524), during a 60-day comment period. This notice allows for an additional 30 days for public comments.

*Agency:* National Oceanic and Atmospheric Administration (NOAA).

*Title:* Groundfish Trawl Catcher Processor Economic Data Report (EDR).

*OMB Control Number:* 0648-0564.

*Form Number(s):* None.

*Type of Request:* Regular submission (extension of a current information collection).

*Number of Respondents:* 30.

*Average Hours per Response:* Annual Trawl Catcher/Processor Economic Data Report, 22 hours.

*Total Annual Burden Hours:* 660 hours.

*Needs and Uses:* The National Marine Fisheries Services (NMFS), Alaska Regional Office, is requesting extension of the currently approved information collection for the Annual Trawl Catcher/Processor Economic Data Report (the EDR).

The EDR collects economic data on the information for the Gulf of Alaska Trawl Groundfish Economic Data Report Program (GOA Trawl EDR Program) and for Amendment 80 to the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area.

The GOA Trawl EDR Program evaluates the economic effects of current and potential future fishery management measures for the GOA trawl fisheries. This program provides NMFS and the North Pacific Fishery

Management Council (Council) with baseline economic information on affected harvesters, crew, processors, and communities in the GOA.

Amendment 80 primarily allocates several Bering Sea and Aleutian Islands non-pollock trawl groundfish fisheries among fishing sectors, and facilitates the formation of harvesting cooperatives among vessels in the non-American Fisheries Act (non-AFA) Trawl Catcher/Processor Cooperative Program. This program established a limited access privilege program for the non-AFA trawl catcher/processor sector.

Data collected through the EDR includes labor information, revenues received, capital and operational expenses, and other operational or financial data. NMFS and the Council use this to assess the economic effects of Amendment 80 on vessels or entities regulated by the non-AFA Trawl Catcher/Processor Cooperative Program, and impacts of major changes in the groundfish management regime, including allocation of prohibited species catch species and target species to harvesting cooperatives.

The EDR is submitted annually by each person who held an Amendment 80 Quota Share permit or was an owner or leaseholder of an Amendment 80 vessel, or was an owner or leaseholder of a vessel named on a License Limitation Program groundfish license with catcher/processor vessel and trawl gear designations and endorsed for the GOA during a calendar year. The EDR requirements are located at 50 CFR 679.94.

*Affected Public:* Individuals or households; Business or other for-profit organizations.

*Frequency:* Annually.

*Respondent's Obligation:* Mandatory.

*Legal Authority:* Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*).
