**Notice of Extension of Public Comment Period for Proposed Modification To Consent Decree Under the Clean Water Act**

On October 21, 2020, the Department of Justice lodged a proposed modification to the existing consent decree with the United States District Court for the Northern District of Georgia in the lawsuit entitled *United States and State of Georgia v. DeKalb County, Georgia*, Civil Action No. 1:10-cv-04039-SDG.

The United States and the State of Georgia filed this lawsuit in 2010 under the Clean Water Act. The complaint sought injunctive relief and civil penalties for violations in connection with the sanitary sewer system of DeKalb County, Georgia (“DeKalb County”). The consent decree entered by the Court on December 20, 2011, provides for DeKalb County to perform injunctive measures as described in the consent decree, to pay a civil penalty split between United States and the State of Georgia, and to perform a supplemental environmental project. The proposed modification to the consent decree, among other things: (1) Extends the time period for DeKalb County to rehabilitate priority sewer areas, (2) requires additional injunctive relief, and (3) requires DeKalb County to pay a \$1,047,000 civil penalty, which will be divided evenly between the United States and the State of Georgia. Notice of the lodging of the modification was originally published in the **Federal Register** on October 27, 2020. See 85 FR 68094 (Oct. 27, 2020).
