

Hispanics/Latinos, American Indians/Alaska Natives, persons with disabilities, persons with limited English proficiency and others who might have been disproportionately impacted by COVID-19, directly or because treatment for other medical conditions has been disrupted.

2. Provide details on effective, community-based, innovative programs to improve population health during the COVID-19 pandemic (e.g., programs to address social determinants of health).

3. Outline effective and innovative approaches to address health disparities across the continuum of care during the COVID-19 pandemic.

4. Detail effective approaches to address social isolation in vulnerable populations including older-adults and people with disabilities in both institutional and community settings.

G. Other Topics

1. Please describe effective strategies to address other critical barriers, including work force concerns, provider well-being, supply chain, etc., to ensure continuity of operations in a healthcare system.

2. Outline best practices to ensure seamless delivery of long-term services and supports (LTSS) to residents of group homes for individuals with disabilities, and other recipients of home-and-community-based services during the pandemic.

3. Detail new programs/policies and efforts that were implemented during the pandemic, but found to be ineffective in improving healthcare access, safety, quality, continuity, value and outcomes.

4. Please describe other input not already covered by the previous topics.

HHS encourages all potentially interested parties including individuals, healthcare providers, networks and/or associations, academic researchers and institutions, non-HHS federal healthcare systems, non-governmental organizations, and private sector entities to respond.

IV. How To Submit Your Response

Please upload your responses to each question in this Innovation RFI response tool which has clearly marked sections for individual questions. Please respond concisely, in plain language, and in narrative format. You may respond to some or all of the questions listed in the RFI. Please ensure it is clear which question you are responding to. You may also include links to online material or interactive presentations.

Please note that this is a request for information (RFI) only. In accordance with the implementing regulations of

the Paperwork Reduction Act of 1995 (PRA), specifically 5 CFR 1320.3(h) (4), this general solicitation is exempt from the PRA. Facts or opinions submitted in response to general solicitations of comments from the public, published in the **Federal Register** or other publications, regardless of the form or format thereof, provided that no person is required to supply specific information pertaining to the commenter, other than that necessary for self-identification, as a condition of the agency's full consideration, are not generally considered information collections and therefore not subject to the PRA.

This RFI is issued solely for information and planning purposes; it does not constitute a Request for Proposal (RFP), applications, proposal abstracts, or quotations. This RFI does not commit the U.S. Government to contract for any supplies or services or make a grant award. Further, we are not seeking proposals through this RFI and will not accept unsolicited proposals. We note that not responding to this RFI does not preclude participation in any future procurement, if conducted. It is the responsibility of the potential responders to monitor this RFI announcement for additional information pertaining to this request.

HHS may or may not choose to contact individual responders. Such communications would be for the sole purpose of clarifying statements in written responses. Contractor support personnel may be used to review responses to this RFI. Responses to this notice are not offers and cannot be accepted by the Government to form a binding contract or issue a grant. Information obtained as a result of this RFI may be used by the Government for program planning on a non-attribution basis. This RFI should not be construed as a commitment or authorization to incur cost for which reimbursement would be required or sought. All submissions become U.S. Government property; and will not be returned.
